

Draw the guy wearing a cowboy hat with numbers from 1 - 10 exciting poles

A short video with the title of a picture created from 10 numbers was posted on the photo sharing platform GFYCAT recorded the process of drawing the guy wearing a cowboy hat with numbers from 1 to 10 in just 15s making the people live enjoy it.

A short video titled "picture made of 10 numbers" is posted on the sharing platform of the "GFYCAT" gif image, which records the process of drawing a cowboy with numbers from 1 to 10 in just 15s. making the netizen enjoy.

The first figures were scribbled in a scribbled manner, which made viewers quite confused because they didn't know what the artist wanted to paint. Until number 6 became a nose, number 7 into an ear, number 8 into a brimmed hat, . everything gradually cleared up.
