Dream League Soccer: The strongest players should recruit, The strongest players in each position that players should recruit into the Dream League club

Dream League Soccer is a team management simulation game loved by both gamers and football fans. Since the game focuses on building and developing the team to win the world championship, it is very important to recruit players for the club.

This process is also very interesting because players will experience the feeling of a talented coach, considering the selection of players with huge transfer contracts.

The Dream League Soccer player system is extremely large, which can make some new players feel overwhelmed and wonder who to choose for their team. If you are having a similar problem, continue reading this article to identify the strongest players to buy in Dream League Soccer and quickly get them on your team.

## Striker

### Christiano Ronaldo

Ronaldo is one of the most expensive strikers any DLS player aspires to. Ronaldo has high default stats, with 95 shots and 92 goals. Ronaldo's lowest stats are default tackles 52.

## Lionel Messi

Messi is one of the most famous soccer players in the world and is well-deserved to be recruited as the team's striker in the DLS. Because Messi's stats are very high and when he first recruited to his team, Messi had a shot of 95 and a pass of 91. Messi's only low stat was his default tackle of 45.

## Neymar Jr.

Recruit Neymar Jr. on his team is a good investment and extremely worthwhile, a few hundred dollars less than Ronaldo and Messi. Neymar is a great choice if the player is looking for a player who is quick and completes the passes accurately. If money isn't an issue, it's well worth it for everyone to buy Ronaldo, Messi and Neymar Jr into their squad as they will together form an unstoppable front line.

## Zlatan Ibrahimovic

Zlatan Ibrahimovic is seriously underrated. In fact, if you invest in this player, you will find your money is completely worth it, especially compared to big names like Ronaldo, Messi, Neymar Jr.

One reason why gamers shouldn't underestimate Ibrahimovic is because he can play both right- and left-footed, allowing both feet to finish and score from difficult angles.

Some other strikers that could be included in the team: Kylian Mbappe, Timo Werner, Mohamed Salah, Di Maria, Lewandowski, Gareth Bale, Luis Suarez

## Midfielder

### Paul Pogba

Manchester United's Paul Pogba has an overall skill index of 88 and is a well-balanced player who is well worth adding to the team's midfield. Unlike most players, Pogba has no obvious weaknesses and is a useful, reliable player to add to his squad.

## Eden Hazard

Eden Hazard is a player worth adding to midfield with an 87. One of the bonuses of adding Hazard to his team is that the player still has an 82 shot count, despite being purely a midfielder. So players will be able to score with Hazard on a regular basis.

## Luka Modric

Luka Modric is more reasonably priced than Pogba and Hazard and has an overall skill stat of 86. So if you're on a tight budget and want to save some money, add Modric to your squad instead. for Pogba or Hazard.

Some midfielders that should be included in the team in Dream League Soccer: Toni Kroos, Ivan Rakiti?, Casemiro, Bruno Fernandes, Jordan Henderson, Paulo Dybala.
