

# Dude Theft Wars - Open world game like GTA

Dude Theft Wars - FPS Open World is an open world sandbox game with first person perspective.

Dude Theft Wars: Offline Games is an open-world action game developed by Poxel Studios Games, featuring a fun sandbox style and humorous ragdoll physics. This is one of the most entertaining games when you want to 'party hard' without the internet, while still supporting online mode to play with friends.

If you are looking for an open-world action game, a sandbox game, or a funny street game, then Dude Theft Wars is definitely worth a try. The article below will guide you on how to download the game, its outstanding features, and the latest attractions according to Google SEO standards.

## What is Dude Theft Wars: Offline Games?

Dude Theft Wars is an open-world sandbox game with a fun and not-so-serious style. Players take on the role of a 'Dude' and can do anything in the city:

1. Drive cars, motorbikes, sports cars
2. Escape from the police
3. Causing chaos in the streets
4. Join the mini-game
5. Explore the vast map
6. Interactive objects with ragdoll physics are super funny

The game has two main modes:

1. Offline: play freely without internet
2. Online multiplayer: Free for All, Team Deathmatch, super fun multiplayer support

## Outstanding features

### 1. Huge Open World – Do Whatever You Want

1. If you have ever played GTA Vice City or GTA San Andreas , you are certainly no stranger to the free driving mechanism, exploring areas, visiting shops, interacting with items or playing mini-games like basketball, bowling.

### 2. Funny ragdoll mechanism

1. The trademark feature of Dude Theft Wars is the ragdoll. Every crash turns into a hilarious 'splash' scene.

### 3. Drive all kinds of cars, real driving feeling

1. From sports cars to police cars to trucks, they can all be driven. Just like in GTA V.

### 4. Exciting police chase

1. If you mess up, the wanted system will activate and the police will rush in to arrest you, which is very funny but also challenging.

### 5. Super fun online mode

1. Both Free For All and Team Deathmatch support shooting, action, and causing chaos with friends.

### 6. Lightweight – Supports weak devices

1. About 300 MB, runs well on Android 5.1 and up, however the game may require additional content to be downloaded and may take up more than this.

## Instructions for downloading and installing Dude Theft Wars

Download from the download link above according to the operating system you are using, then wait for the game to download and install automatically.

### Required configuration

1. Android: 5.1 and up
2. Capacity: ~300 MB
3. iOS: iOS 12 or later
4. Age: Teen – mild violence in comedic style

### Notes when playing Dude Theft Wars

1. The game has chase and shooting elements, but in a fun cartoon form.
2. There may be ads or in-app purchases depending on the version.
3. Low configuration devices can still play but sometimes there may be slight lag when driving at high speed.

### FAQ – Frequently Asked Questions

#### 1. Is Dude Theft Wars an offline game?

1. The game supports offline play, but also has online multiplayer if you want to play with multiple people.

#### 2. Is the game free?

1. Dude Theft Wars is completely free for mobile gamers

### **3. Is the game heavy?**

1. The game is only about 300 MB in size, so with the average memory of current smartphones of about 64 GB, it is comfortable.

### **4. Can it be played on weak computers?**

1. Many low-configuration Android devices can still run well because the game has quite low configuration.

### **5. Is the game violent?**

1. Yes, but in a fun cartoon + ragdoll form, not the realistic gore like AAA action horror PC games.

## **Conclude**

Dude Theft Wars: Offline Games is a super fun open-world game for anyone who wants to have some light entertainment, drive around and destroy the village or explore the vast world. The game is available both offline and online, runs smoothly on most devices, and is especially suitable for sandbox lovers.
