Emsisoft Anti-Malware

Emsisoft Anti-Malware is the leading malware scanner, able to clean and protect your PC from viruses, spyware, trojans, bots, adware and computer worms. This software uses two main scanning tools: Emsisoft + BitDefender antivirus tool to search over 10 million types of malicious software. Keep your computer clean with the included **File Guard** and **Behavior Blocker** features that will prevent all new types of infections. **Surf Protection** adds the ability to block access to dangerous or deceptive websites.

1. Use 3 security layers to provide the best security possible.
2. Use 2 scanners to scan for infections.
3. Fast and smooth operation.
4. Easy to use for everyone.

Buy Emsisoft Anti-Malware for only \$ 19.97 with Genie Timeline Home 2014
