Philips shaver

Philips products range from models with prices ranging from VND 500,000 to VND 3 million for you to choose from.

Prominent with high quality, beautiful and eye-catching design and smooth operation, the Philips shaver has completely conquered the hearts of elegant gentlemen. In addition, one of the points that Philips is more prominent than other competitors is the warranty of up to 2 years, thereby helping consumers feel more confident and completely trust this brand.

Flyco shaver

Flyco shaver is priced quite cheap, from more than 200,000 to 500,000 VND.

With a modern design and many handy features, the Flyco shaver is more outstanding than its competitors. Like Philips, Flyco also has a long warranty period, up to 2 years for each product.

Panasonic shaver

Panasonic shaver has a wide range of prices, ranging from 200,000 VND to 3 million VND, for users with many options.

Most of Panasonic's products are always known for the best design and quality at the highest level. This is a great choice for you to take care of your appearance or you can choose to give a gift to your other half on important occasions of the year.

Evaluate the top 3 best, popular shavers on the market today

1. Panasonic ES534 shaver

Panasonic ES534 is one of the best-selling shaver codes on the market today. The reason that it is so popular is because of its low price, only VND 200,000.

Price refer to **META.vn**: **VND 195,000**

The advantage of the product is compact, easy to carry on long trips or travel, very suitable for those who often have to go on business. The use of the device is also very simple, with only 1 ON / OFF switch.

It uses 2 AA batteries. You can buy very easily at any grocery store.

Motor speed: 6,000 rpm is enough for men to smooth and smooth shaving.

In particular, the machine originated from Japanese brand, made in Thailand, has a 12-month warranty, so you can be relatively assured of product quality.

However, the design of this shaver is not very eye-catching. Plastic material is water resistant but not outstanding and luxurious. However, with the price of more than VND 100,000, the Panasonic ES534 shaver is still appreciated and favored by the brothers.

2. Flyco FS 360 shaver

Flyco FS 360 shaver is also rated as one of the most popular cheap shaver codes.

Reference price at **META.vn**: **VND 390,000**

Unlike Panasonic ES534, Flyco FS 360 shaver has a luxurious design with a combination of black and bronze tones.

Modern 3-ring smart shaving head, which helps to clean fast beard without causing any skin damage such as bleeding, scratches.

The razor blade is sharp, precise, the ultra-thin design does not come into direct contact with the skin, giving it a smooth, smooth feel when used.

The device uses battery for 8 hours and is used continuously for 60 minutes.

3. Versatile trimmer 6 in 1 Philips MG3710

Of the 3 product codes, the Philips MG3710 shaver is more integrated: shaving, hair removal, hair clippers .

The shaver, when recharged for 10 hours, can be used for 35 minutes, the 16-hour charger has more than 60 minutes of use, comfortable styling that offers maximum convenience.

The machine is equipped with different size shaving heads: 1mm, 2mm, 3mm, 5mm, nose hair trimmer for optional users.

Perfect cutting blade, durable for a long time, with warranty period of up to 3 years.

Reference price at **META.vn**: **649,000 VND**

Is the cost of replacing the shaver blade expensive?

Few manufacturers accurately announce the life of the shaver. But a shaver that is considered usable usually costs over VND 300,000. These models usually have a warranty period of 2 years or more. For many Philips shaving machines, it's normal to use the device for about 2 years without changing the tongue.

With a very long time of use, the blade of the shaver is not widely available. Therefore, sometimes this may be inconvenient for you. That is why you should choose to buy a shaver from reputable brands, with a full warranty service. At least in the security centers you will always be able to find the blade of the shaver instead.

The blade of the shaver (for example Philips) has a listed price of VND 240,000 for type 2 blades and VND 440,000 for 3-blade types. This is a factor you should consider when choosing to buy a shaver. The type of machine with a prestigious brand will help you reduce the cost of replacing the blade later.

Where to buy a prestigious shaver?

To own quality shaving products, smooth, smooth shaving, you should choose reputable addresses and facilities. You can refer to some reliable addresses below:

Hanoi: No. 56, Pho Duy Tan, Dich Vong Hau, Cau Giay - Hotline: **024.35.68.69.69** .

Ho Chi Minh City: 716 - 718 Dien Bien Phu, Ward 10, District 10 - Hotline: **028.38.33.33.66** .
