

Even without a penny, don't think about taking advantage of these 5 people

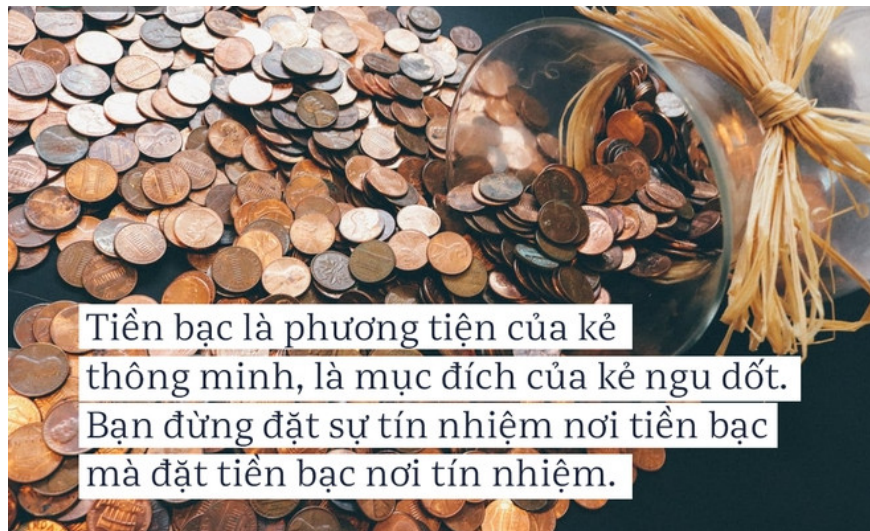

Those who lend you money mean that they have sent your love to you, so don't play tricky or take advantage of anyone's kindness, especially those below.

1. 45 the law is very true for life, so far as it is absorbed
2. Lend money but are afraid of being . sunt, tell your "debtor" these things .
3. Want to earn more money, you better know 'close your mouth'

In life, we sometimes find it difficult to avoid economic difficulties. When falling into these circumstances, you should first find a way to save yourself before having to ask people around.

People who live in the world, who want to have a full, light, helpless life, no one wants to live in hard life. Therefore, it is good for people to throw away their burdens.

When you rely on someone, you should look for people who understand you like your parents, siblings, close friends . Because these people will understand you better. When borrowing must be decent and fair, there are paid loans.

Money is a very sensitive thing, which is also extremely difficult to borrow in today's society. Only those who value friends more than money are ready to lend you money. For that reason, those who give you money are worthy and that is definitely your esteemed.

They lend you money, just for the simple purpose of hoping your life will become better. So please appreciate the love and money they have given you today, so that you can repay them later, report back to them. Whether they are relatives, lovers, friends or anyone else, by money, for everyone, it is not enough .

Those who lend you money mean that they have sent your love to you, so don't play tricky or take advantage of anyone's kindness, especially those below.

1. Not taking advantage of people with similar circumstances

When encountering difficult circumstances, people with difficult circumstances like you can only encourage and encourage you and they to overcome this difficult time together.

If at a difficult time, we again play trick or play bad, take advantage of them, eventually will certainly not have good results. Catastrophic.

2. Do not take advantage of people in the 'opposite polarity' group

Opponents mean the elderly or the children, the rich and the poor .

Choose people who are too strong or too weak to take advantage of, this is stupid, because it only makes them more angry and find ways to take revenge on you. By this time you will not only be not better and also make the situation worse.

3. Not taking advantage of celebrities

Celebrities often have a huge impact, but don't take advantage of them to solve the problems you are having. Because these people often have very strong personalities, they can do extreme things if you affect them.

4. Not taking advantage of your classmates

When your life is difficult, absolutely don't expect friendship (friend) to help you change the situation.

When you come to the help of those people, synonymous with your face and self-esteem has more or less been lowered, and this makes it hard for your faith to recover, when you stand In front of these friends, it also makes you have to take on even worse emotions, cannot release it, but also makes you lose your determination to strive.

Because of that, this kind of friendship can be maintained but it should not be trusted or trusted.

5. Not taking advantage of relationships with rich people

If you think that creating a close relationship with wealthy people will help you change the difficulties that you are experiencing, it is a completely wrong idea. Because rich people are often very difficult or do not like to get along with the poor.

If you are in a difficult situation and still have to borrow money to sustain this relationship, then perhaps it is the most meaningless job, and this will make your economy more and more tragic. only
