

# Expand the OLPC computer sponsorship program

The OLPC poor student project has just said the deadline for the 'Give One, Get One' sponsorship program (buy one, get one free) will continue for the rest of the year, instead of ending on the 26th. / 11 as planned.

**The OLPC student computer project has just said the deadline for the "Give One, Get One" sponsorship program will continue for the rest of the year, instead of ending on the 26th. / 11 as planned.**

Accordingly, customers who buy laptops of the project in the US and Canada for \$ 399 for a pair of machines, but only one on the foot of the buyer, while the second will be delivered to the children in the developing countries. developed as Rwanda, Afghanistan, Cambodia, Haiti and Mongolia.

The promoter of the program Nicholas Negroponte excitedly expressed, " *In the past 10 days we have received enthusiastic support and trust from the masses. There have been many people who recommend to extend the program to all individuals or groups. Local and inter-national officials all have the opportunity to participate in. Also, there are those who want to do meaningful work during the upcoming Christmas holidays .* "
