

Experience the Fetch fun app - What is your dog?

In the past, many people who laughed didn't pick up their mouths with applications like How Old Do I Look or How Dude Do I Look. This time, we will introduce another funny application, called Fetch - What is your dog? (What kind of dog do you like?). Please consult.

In the past, many people "laughed not picking up the mouth" with applications like How Old Do I Look or How Dude Do I Look. This time, we will introduce another funny application, called Fetch - What is your dog? (What kind of dog do you like?). Please consult.

Step 1: Access the Fetch home page, click Use your own photo

Visit the Fetch home page

Step 2: After that, the application will "return" the result to you corresponding to the photo you uploaded

1. Website of handsome measurement to eat according to Microsoft's age guessing service
2. Technology guesses age through photos of How-Old.net
3. Application on iPhone predicts lost date

Having fun!
