Powerful imagery can inspire excitement, evoke nostalgia, tell stories, and drive self-expression. After launching some exciting additions to the growing and successful **Disney D23 collection** earlier this year, Canva is excited to introduce more ways to bring joy to your designs with the Disney collection.

You can now explore Canva's custom collection of over 300 Disney character artwork templates for personal and educational use. All of which are sure to delight. You can use templates from Canva's Disney collection on social media designs, invitations, presentations, and posters featuring character artwork like Elsa from Frozen, the iconic Mickey Mouse, or Disney Princess Moana.

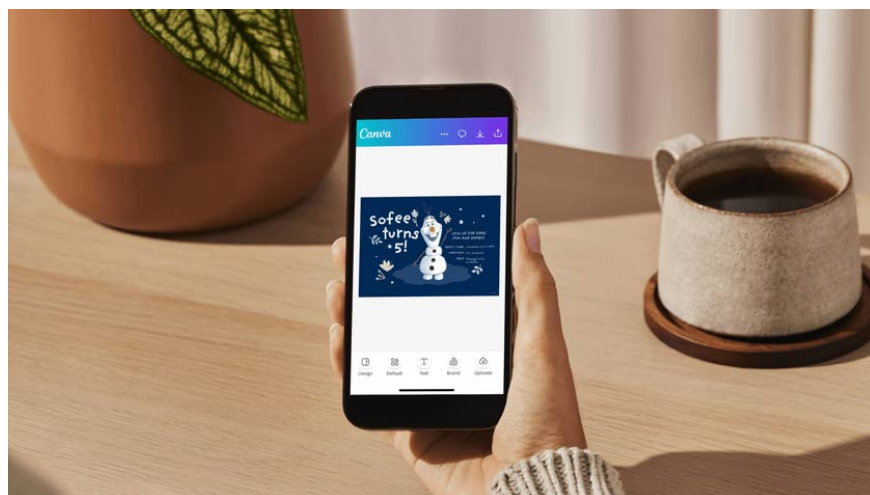

Add glamour to your designs in Canva

Canva's Disney image template collection gives you direct access to beloved character artwork that has inspired nostalgia and wonder for generations, allowing you to unleash your creativity like never before.

Celebrate life's special moments with templates including thank you cards with heartfelt messages or party invitations to mark special occasions. Enhance your online presence with a variety of Disney-themed social media templates, perfect for creating eye-catching posts and adding a fun touch to your personal feed.

Whether you're creating something playful, sentimental, or inspirational, Canva's Disney collection has you covered.

Bringing Disney into the Classroom

Beloved characters have a unique way of sparking excitement and fostering creativity in the classroom. Teachers can add a little excitement to classroom learning with engaging presentations, and students can express their personalities with posters or thank you cards featuring illustrations of iconic characters, from Disney Princesses to Mickey & Friends and Elsa from Frozen.
