

# Expression usage in PUBG Mobile

Expression does not help you run better in PUBG Mobile but will give you more fun moments in the meantime.

Until now, there may still be many players who are not interested in expressive features in PUBG Mobile, although there are expressions that players must spend money to own in PUBG Mobile.

While it is not possible to support gamers in the running job, owning the expressions will prove that gamers have more shopping conditions than other players, in addition, gamers can use a few Funny expressions before jumping on the plane for boring waiting time.

And to use the expressive feature in the game, there are many people who still do not know how to choose expressions and how to use them, you can refer to the instructions for using expressive features below.

1. Instructions for renaming characters in PUBG Mobile
2. PUBG Mobile: The best way to arrange backpacks to win TOP 1
3. How to download PUBG Mobile International version when not found on App store and Google Play Store
4. How to download and install PUBG Mobile VNG on Tencent Gaming Buddy

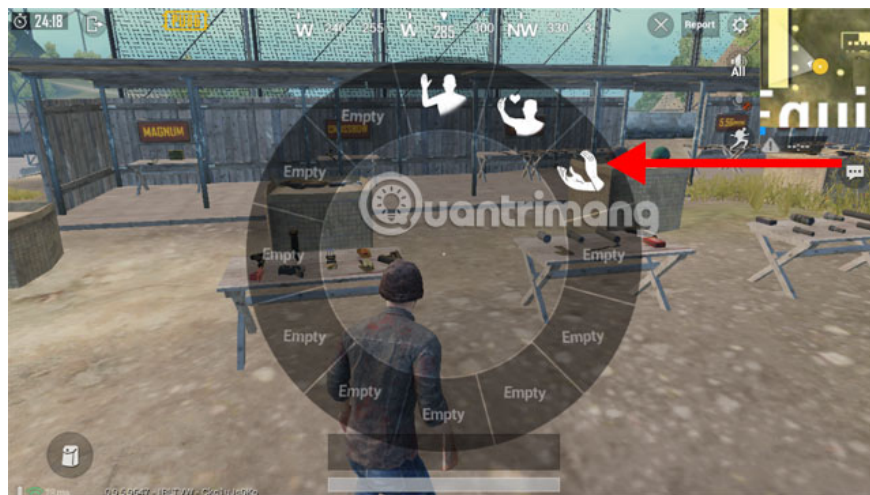

## Expression usage in PUBG Mobile

1. Download PUBG Mobile for PC
2. Download PUBG Mobile for iOS
3. Download PUBG Mobile for Android

**Step 1:** Click on the expression icon in the upper corner, near the **Report** button. If you play PUBG Mobile on Tencent Gaming Buddy, you can press **F4**.

**Step 2:** In this will be the expressive list of characters, choose the expression you want to use.

Your character will show an expression immediately afterwards.

Expressions you can earn in the **Royale Pass** reward system .

To manage your expressive list, click on **Inventory** , go to the inventory and you will see an expressive list appear. Any expression that has a yellow mark in the left corner is on the list.

This feature in addition to displaying during the standby time, you can use expressions with friends or teammates in the battle to get fun while running. Hopefully, with the above guide, you will have more fun moments with expressive features in PUBG Mobile.
