

Facebook purification, a series of Fanpage entertainment 'dead teeth'

From the afternoon of January 13, the Vietnamese Fanpage admin community roared as a series of large Fanpage were blocked for unknown reasons. The Fanpage blocked in this purge has a number of likes from a few tens of thousands to nearly millions of likes.

From the afternoon of January 13, the Vietnamese Fanpage admin community roared as a series of large Fanpage were blocked for unknown reasons. The Fanpage blocked in this purge has a number of likes from a few tens of thousands to nearly millions of likes.

Fanpage after being locked cannot be unblocked, it is not only for Fanpage in Vietnam but also in the world. As soon as the Fanpage information is locked, a large Fanpage admin in Vietnam has set some assumptions for the confusing situation on:

It is assumed that the above Fanpage admin used applications that violate Facebook's regulations such as sentence like apps, 18+ photo application to attract fans. Due to violations from the management account, the Fanpage that the person manages is "*treated*" by Facebook.

Thanh Hung

Bão về các bác ạ, em bị die 12 page thôi à.

Tết này nghĩ sớm thôi, nợ nần em xin khất lại thôi ạ 😞

The screenshot shows a list of notifications from Facebook. Each notification states: "Your Page [Page Name] has been restricted from accessing Facebook features." The page names listed are Hải VL, Góc Cuối, Cảm Nhận Cuộc Sống, Thư Giãn +, and Video Hot. Each notification includes a warning icon and the time "13 phút trước". Below the notifications, it says "Thích · Bình luận · 9 phút trước" and "13 người thích điều này."

Not only that, high ability to make Fanpage blocked can also be caused by frequent " *cross-set* " status in *fanpage admin* community. The cross-set Fanpage will advertise back and forth to exchange fans, sometimes to increase efficiency, many admin use images that dislike likes.

However, all is just a prediction, if the Fanpage content is sent by users to report (*report*) repeatedly to the management team of Facebook, the Fanpage is also at risk of permanently closing.

This is a wake-up call to the Vietnamese Fanpage community. To develop a Fanpage effectively and long-term development, need to understand Facebook's rules, do not name the Fanpage to coincide with the names of major brands that are easy to confuse, stop the offensive and spam content ads regularly. . In particular, in order to have a stable and well-functioning Fanpage, it is necessary to terminate all activities that attract fans based on tricks such as automatically clicking like, enticing like by appeals, .
