

Famous places in Vietnam appear in the movie 'Kong: Skull Island'.

On March 10 across theaters across the country, a Hollywood super product named Kong: Skull Island will be shown. Besides impressive content and techniques, locations that are filmed in Vietnam will be an interesting place.

On March 10, all theaters will begin broadcasting a super product called " **Kong: Skull Island** ". This is a movie that is quite popular and is being welcomed by the most eager young people in Vietnam in 2017, not only because of the attractive content, impressive techniques but because there are quite a lot of scenes shot in one movie. The number of famous landmarks in Vietnam is very impressive and impressive.

1. Invite to download the Kong wallpaper: Skull Island full HD beautiful

"Kong: Skull Island" is the first **Hollywood** blockbuster to be filmed in three famous locations in Vietnam including Ha Long, Ninh Binh and Quang Binh which will be the main scenes to appear in this film. The film recreates the journey back home full of mysteries and dangers of **King Kong** , while integrating the **Vietnam War of** the 1970s full of fierceness.

In order for you to know more about the locations that will appear in the context of this movie, today the Network Administrator will introduce you to those places so that you can anticipate the trend and experience the reality with the movie. hey

I. Ninh Binh

Peaceful for the past few years has become a place that attracts a lot of interest of young people and film and music producers, it can be said as the movie "Heavenly hero hero" a swordplay movie. - Vietnamese pure stock of director Victor Vu, or recently a new MV of Hoang Thuy Linh called "Water drifting cake" was filmed at the place where the young people put a favored name "Great love cup" . Besides coming to this place, we can not ignore the cult movie of Vietnamese film, "Tam Cam". So it is not uncommon for this place to be retained for the longest time by the film "Kong: Skull Island" during the filming of the movie.

1. Dam Van Long (belonging to Gia Vien district, Ninh Binh)

If you want to leave the noise and dust of the city to return to nature, Van Long Lagoon Resort will be an ideal destination. Van Long is the largest wetland nature reserve of the Northern Delta, belonging to Gia Vien and Ninh Binh districts. It has an extremely rich and unique ecosystem with diverse flora and fauna. Especially, this place also possesses beautiful, idyllic and poetic feng shui paintings. Here you will have the opportunity to explore many beautiful mountains and caves.

2. Tam Coc - Bich Dong (in Hoa Lu district, Ninh Binh)

Tam Coc - Bich Dong is also considered by many to be called "Ha Long Bay on land" or "Nam Thien De Nhi Dong", this is a key tourist destination of Vietnam. Here you will have the opportunity to capture unique photos

of the limestone cave system as well as the historical relics from the Tran dynasty. Moreover, some famous places such as Bich Dong, Vien Vien Lau and Thung Nham will be places you should not miss in this trip to Tam Coc - Bich Dong.

3. Trang An

Surely we are no longer strange to Trang An place. This place is considered as a place of "Bong lai Tien Canh", with the same mountains, and a system of fanciful caves and high sky in the blue will surely bring you interesting experiences. Especially to Trang An in the ripe rice season, you will be immersed in the immense beauty of the immense golden fields and immense fields. You can combine Trang An tourism with two other famous spots: Bai Dinh Pagoda and Hoa Lu Ancient Capital.

II. Quang Binh

In the movie "Kong: Skull Island", the scenic spots in Quang Binh will be recreated as the home of King Kong. Initially, the film crew hopes to be able to put on the small screen the majestic and mysterious Son Doong cave, but for the reason of protecting the natural environment, Son Doong could not appear in the film as planned.

However, the other scenic spots of Quang Binh such as the Rat Cave, Da Deo Pass, and Tu Lan Cave are all very impressive and make the viewers look satisfied. These are extremely new places and very few people ever set foot in.

1. Hang cave (in Tan Hoa commune, Minh Hoa district)

The Rat Cave in Tan Hoa commune - where many important scenes will take place for the film is a rather unique place, even its name suggests a curiosity about something mysterious. Contrary to an ugly name, this cave's scenery is impressive and majestic. The area of the cave with undulating hills and mountains, hidden in the mist should bring pristine, wild beauty, very suitable for the movie context of King Kong 2. The cave has a wide and deep door with 500m, with a lot of Stalagmites and stalactites with different colors but predominantly white and pink. In front of this cave door there is a stream flowing through, making the scene more poetic and charming.

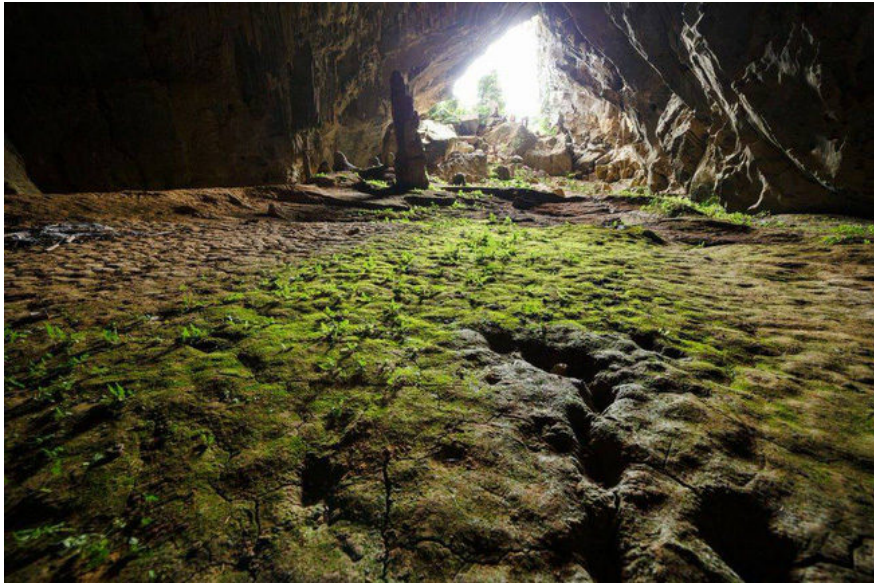

2. Tu Lan cave system

Tu Lan cave system is still unspoiled intact, hiding the secrets of majestic nature in limestone mountains, underground rivers and endless waterfalls. This place will be an ideal destination for those who love nature tourism to explore and experience almost unexplored lands, and are proud that this is one of the few areas with diversity. The largest biology in the country. Not only beautiful, adventurous in every swim in the cave also makes this trip unmatched to anything else.

3. The Da Chua Pass

Da Dao Pass belongs to Phong Nha - Ke Bang World Natural Heritage area with the same mountains. Below the pass is the Cha Noi valley with the pristine landscape of rivers and streams, surrounded by majestic rocky mountains and fanciful clouds. It is often cloudy and covered with the whole mountain pass to bring the same mystery as the content of the movie to convey to the readers.

4. Ho Yen Phu

Ho Yen Phu in Yen Phu village (Trung Hoa commune) is also the location selected as the context in the film. Yen Phu is a peaceful village, with green fields and majestic natural landscapes. This place not only has a beautiful scenery like that of painting, but it makes people feel enchanted but the atmosphere here is very clean,

it will make you feel extremely comfortable and be immersed with nature.

5. Phong Nha, Ke Bang (Son Trach commune, Bo Trach district, Quang Binh)

Phong Nha - Ke Bang is probably not an unfamiliar name for Vietnamese youth. It is one of the two largest limestone mountains in the world with a population of more than 300 large and small large caves, the period known as the "Cave Kingdom" which contains the beautiful beauty of creation. Therefore, the natural wonders of this world have never "reduced heat" in the list of certain places must come of those who love travel, like to move and explore the land of greatness. Not only retain the pristine look but also the stalactite system here makes any visitor come to admire admiringly. Come here, you will get extremely interesting experiences such as sailing on the Son River, visiting caves with beautiful stalactites, unique animals such as unicorns, lions, Buddha statues, palaces. .

6. Spring Stream

Beside Phong Nha - Ke Bang is too famous, Suoi Moang is somewhat new. Located about 20 km from Phong Nha, Ke Bang, Suoi Moo opens a completely relaxing space for visitors with cool water springs with a temperature of only about 20 degrees Celsius. is a clear blue water like a jewel. Needless to say, how beautiful would the color be? Up here to rest, to admire the scene to "wear life" with how tired it is great, right?

III. Halong Bay

The stop of the last scenes is Ha Long Bay in Quang Ninh province, which is famous for its famous places, cultural heritage, beautiful mountains, islands and beautiful caves, painted aquatic life. Love created by the creator here. Famous addresses include Ngoc Vung island, Tuan Chau island, Sung Sot cave, Thien Cung cave .

The area of ??Cong La (Ba Hang) is an hour away from Tuan Chau (Ha Long) by speedboat, selected by the film crew of Kong: Skull Island. During the filming, the film crew stayed in Tuan Chau and moved to the ferry and ferry shooting points.

Vietnam is one of the three main contexts of the film, with Australia and Hawaii. Filming film in October 2015 and ending in March 2016.
