

## Fashionable laptop Sony Vaio CS11

Sony introduced a 14.1-inch Vaio laptop called CS11, which has a stylish appearance with attractive color covers and a configuration that satisfies entertainment needs.

**Sony introduced a 14.1-inch Vaio laptop named CS11, which has a stylish appearance with attractive color covers and a configuration that satisfies the entertainment and working needs of users.**

Sony Vaio CS11 is equipped with 14.1-inch screen, resolution of 1,280 x 800 pixels and high-end Nvidia GeForce series 9 graphics card. Some models of this model are also integrated Blu-ray combo drive, capable of read Blu-ray disc and burn DVD.

It has Intel's latest Centrino 2 technology platform, 320 GB maximum hard drive, 4 GB maximum RAM, 802.11n wireless connectivity standard and pre-installed Windows Vista Home Premium operating system .

As the "descendant" of the colorful CR series, Sony Vaio CS11 also gives users 5 choices of shell color which are black, red, pink, white and brown.

The inside surface of the machine is also the same color as the outer cover.

Currently Sony has not revealed the time available in the market and the expected selling price of Vaio CS11 laptop.
