

Features in the Rules of Survival Training Manual

The Training Manual in Rules of Survival is a new system that is updated in the game, tied during the season and will expire at the end of the season.

In the new Rules of Survival update, the manufacturer has integrated the Training Manual system that is tied to the season and lasts through the season. The Training Manual will give the player the task to complete, then exchange for rewards and level up. However there is quite a lot of information as well as features in the Coachbook system that players still find troublesome. The following article will provide you with all the information in the Training Manual of Rules of Survival.

1. How to fix errors hanging game Rules of Survival
2. Shortcuts control the Rules of Survival game
3. How to reduce lag when playing Rules of Survival on a weak configuration machine

Content of the Training Manual on Rules of Survival
