

Free 1 day only: Soda PDF 6 Convert

Rated 5 stars by editors, Soda PDF 6 allows users to open and print any PDF data, including comics with page flipping effects, as well as create PDF from Word, Excel, PowerPoint files, photos and more than 300 other file formats are completely free.

Rated 5 stars by editors, Soda PDF 6 allows users to open and print any PDF data, including comics with page flipping effects, as well as create PDF from Word, Excel, PowerPoint files, photos and more than 300 other file formats are completely free. In addition, users can choose any other add-on module they want, for only \$ 9.99. Only today (January 23, 2014), Lulu Software, a supplier of Soda PDF, offers a program to **give away** millions of dollars for the Soda PDF 6 Convert module for free.

This conversion module is one of the most popular modules in the Soda PDF platform, helping you convert PDF files to Word, Excel, HTML, .txt and image files. In an effort to provide users with the most features, Lulu Software has chosen to offer this module for free so you can solve some common PDF-related common problems every day. Worth \$ 19.99, and you'll have this module for free within 24 hours.

Here's how to get:

1. Go to <http://sodapdf.com/cnet-giveaway-promotion> with your email address, so they can send a confirmation email with a free license key (note that users will get the license key after the program end - end of January 23, 2014).
