4. [Switch: STREET FIGHTER II - The World Warrior](#)

The fighting game genre is certainly very familiar to game players. Street Fighter II will take you to one-on-one battles with many other characters with the goal of winning each match. In case both are defeated or the round runs out of time and both sides have the same amount of money, the game announces that the match will be drawn.

Then 2 players will have to participate in the extra round to decide whether to win or lose. It is quite normal for you to participate in Street Fighter II with a match that lasts up to 10 rounds because it is not possible to find the final winner. After every three matches in single player mode, players will participate in a "bonus game" to win

bonus points. Bonus matches include destroying a vehicle, destroying crates and destroying drums.

The character system in Street Fighter II includes 8 playable characters. In addition to Ryu and Ken who appear from the previous part, there will be 6 characters of different nationalities.

1. Ryu, a Japanese martial artist.
2. Ken, Ryu's martial arts classmate and rival, is from America.
3. E. Honda, a Japanese sumo wrestler
4. Chun-Li, a female martial artist and policewoman from China.
5. Blanka, a half-breed from Brazil, grew up in the jungle.
6. Zangief, a wrestler from the Soviet Union.
7. Guile, a special forces agent from the US.
8. Dhalsim, a yoga master from India.
