

Free version of Counter-Strike: Global Offensive complete, adding survival mode 'Danger Zone'

Today, Valve has officially released the complete version of Counter-Strike: Global Offensive (CS: GO) game and launched a new survival mode Danger Zone, similar to PUBG, allowing players to freely compete with each other. .

Today, Valve has officially released the complete version of Counter-Strike: Global Offensive (CS: GO) game and launched a new survival mode Danger Zone, similar to PUBG, allowing players to freely compete with each other. . New game mode of CS: GO will be automatically added to the existing game files on the PC of all current players.

Those who bought the game before will be upgraded to Prime Status for free (worth 342,000 VND), buy exclusive weapons, earn XP points in Danger Zone. But Prime players and free players cannot play together.

Follow Valve, the mode of Danger Zone is fast. A match that allows up to 18 players, they will have to use their skills, intellect, collect money and other items to fight and survive to the last minute.

Meanwhile, Solo, Duos, Trios and Blackout modes allow up to 16 participants.
