In Roblox NFL Universe Football, codes (giftcodes) will reward you with in-game money or free packs.

In Roblox NFL Universe Football, gift codes will give you in-game currency or free packs. This currency can be used to "smash" into packs, where you will "spin" dozens of gacha-style customization items.

Oh, and remember, to "embrace" the gifts from the code, you must achieve OVR 30 (overall player stats) in the game first (initially you only have 20 OVR). That means you will have to plow through the game quite a bit and have "quality" contributions. We have prepared for you the full giftcode of the game below for you to redeem.
