The problem that prevents you from redeeming giftcodes for rewards

1. Please check each character of the gift code carefully. Some codes are case sensitive.
2. Check if there is any extra space at the end of the gift code.
3. If the gift code still shows an error, it may have expired or reached its entry limit.
4. Each account is only allowed to enter once for each type of gift code. There may be multiple gift codes but they belong to the same type.
5. Each gift code can only be used once per account.

What are the ways to get more giftcodes?

Players can explore more gift codes on forums or trusted social media platforms. At the same time, keep a close eye on news from the game's official media channels for the fastest chance to access gift codes.
