Rain is always the time that makes people feel the most sad, rain makes us remember memories in a certain moment, rain makes many people fall into a state of confusion, especially those who are falling in love or lonely. That is why people often look for sad images to express their mood when encountering unhappiness in life.

The sad and sad images below help you express your sad sorrows that can't be said. Please select and download the most suitable rain image for your computer wallpaper or post status with photos about rain whenever your mood is not good.

1. Wallpaper for lonely people
2. 35 motivational wallpapers and beliefs for life
3. Top black cover photos for those who are sad

### Some pictures of rain in the collection

Above are just some typical images that we took out from the rain wallpaper collection, and many other "catastrophic" sad rain wallpapers for you to choose from. To view and download this top quality Full HD rain image, click on this link.

Although sad rain images are very suitable for the mood in sad times, but you should not use sad rain images to set as a computer wallpaper or set as Facebook cover photo for too long. Because after the rain it will be bright again, and the rain will wash away the tiredness, and go away with the suffering in life. Have fun and overcome all the sadness.

Wish you always have fun!
