Frequently Asked Questions about Entering Stickman GO Codes

During the code redemption process, players sometimes encounter errors such as the code not working or not receiving the reward. GEARVN will compile the most common questions related to Stickman GO codes and provide detailed answers.

Does the Stickman GO code have an expiration date?

Yes. Most Stickman GO codes released during special events or festivals have a limited validity period (usually a few weeks or a month). General codes (like VIP777) have a longer validity period, but the publisher can invalidate them at any time. Therefore, players should enter the code as soon as they receive it.

Why am I failing to enter the code?

There are several reasons why the code might not work:

1. Incorrect entry: The code must be entered correctly, including uppercase and lowercase letters.
2. Expired: The code has expired because it was entered too late.
3. Used: Each account can only use one unique code once.

Where can I get more Stickman GO codes?

Players should follow the game's official information channels to receive the latest codes:

1. The official Facebook page of Stickman GO/Stickman TD.
2. Participate in in-game events or official groups/communities on social media.
