

# General cheat code game Grand Theft Auto: The Ballad of Gay Tony

Grand Theft Auto Stealing Game: The 2010 Ballad of Gay Tony is released for the PlayStation 3, introducing new missions and characters to the city of Liberty City. The article summarizes some GTA cheat codes to help players get weapons, vehicles and other items.

Grand Theft Auto Stealing Game: The 2010 Ballad of Gay Tony for PlayStation 3, a downloadable content for the Grand Theft Auto IV game. This expansion pack introduces new missions and characters to the city of Liberty City.

"The Ballad of Gay Tony" is also included in "Grand Theft Auto: Episodes from Liberty City", does not require Grand Theft Auto IV games. "The Ballad of Gay Tony" offers the same setup and gameplay as " Grand Theft Auto IV "The main character in this section is Luis Fernando Lopez, bodyguard of Anthony Gay Tony Prince, a character familiar with GTA game players.

Gay Tony appears in "Grand Theft Auto IV" and "The Lost and Damned". During the game, Luis and Gay Tony attempted to overcome conflicts with the mafia and drug dealers.

## GTA cheat codes

Like the previous parts of the GTA game, "Grand Theft Auto: The Ballad of Gay Tony" also has cheat codes that make it easy for players to get items and other rewards, by entering cheat codes. This on mobile phones in the game.
