

Genshin Impact - detailed guide for the beginners player Genshin Impact

The article is the most detailed and simple beginner guide to Genshin Impact.

Genshin Impact is an open world action role-playing game developed by miHoYo, famous for many Japanese anime style games on smartphones such as Guns Girlz, Honkai Impact 3 ...

But perhaps, Genshin Impact is Nintendo fans. Best known for its slight resemblance to the game that goes with the Switch's name is Breath of the Wild

The game has a very interesting open world concept JRPG genre. Do you love the pristine world in BOTW? Then you will also love the magical world of magic in Genshin Impact.

Here are the most basic tutorials about Genshin Impact for you Take a look at the image marked with numbers and scroll down to look up the tutorial I've listed,
