

## Genshin Impact: Diluc and Fischl will be the next 2 characters with new skins

After the new skins for the two characters Ningguang and Keqing, some Genshin Impact leaks show that Diluc and Fischl will be the next two names.

With the new leaked information, Genshin Impact gamers may be extremely surprised because the new skins when the two characters from the Mondstadt area are not what players expect. Accordingly, Diluc and Fischl have been introduced in the new leak and it is likely that two new skins will be released for these characters.

Diluc-loving gamers have been waiting a long time to be able to own a unique skin for this character. In addition, Fischl's fans are also extremely happy with the news that she will have the opportunity to retouch her beauty in the not too distant future.

Previously, the skin for Diluc was leaked during the Genshin Impact event in cooperation with fast food company KFC and it was probably close to the time this skin was released. Diluc-loving gamers are looking forward to this skin because it is a very prominent upgrade for this character. Diluc will have a completely new look in the style of butler and has received a lot of compliments.

Based on these leaks, Fischl will also receive a new skin of its own. Following the tradition of Genshin Impact, 4-star characters will all receive free skins, so many gamers hope this will also apply to Fischl. Otherwise, the player will have to complete certain tasks to unlock it.
