

Genshin Impact Leaks Release Date Of Character Shikanoin Heizou

Genshin Impact features many unreleased characters that only appear in lore or in-game dialogue.

Shikanoin Heizou is one of the characters that has not yet appeared in Genshin Impact but is of great interest because of the many legends involved. And recently, famous leaker Ubatcha has revealed that update 2.6 will bring both new characters Kamisato Ayato and Shikanoin Heizou to miHoYo's game.

Until now, Heizou's release date is still uncertain but if the above leaked information is accurate, we can expect his appearance around March or April this year. .

Heizou once received a lot of attention from the gaming community after some fanart designs of this character were released. However, the official image of Heizou is still a mystery and we need more time to know more

accurate information.

Heizou is described as a very funny person but also often annoys everyone around him because of his spontaneous actions without following any rules. Heizou is normally quite carefree, except when pursuing his own goals.
