

Get 10 free generals including Zip and Astris on Lien Lien Mobile's birthday

Lien Lien Mobile's birthday event on December 8 will allow gamers to receive a number of free champions and rewards, including Zip, Astrid, Max, Ilumia, Zuka, Liliana, Lumburr, Thane, Teemee and Skud

It must be said that in a short time, the Lien Lien Mobile VN server had quite a lot of events organized for gamers with full scale, large and small. Participating players will have the opportunity to "reap" the rewards such as generals, hero skins, treasure tickets .

Most recent is an optional champion change event if there are Gems. Accordingly, on October 21, gamers only need to remove 1 Stone to be able to exchange 2 generals that cost up to 25,888 gold. List of generals are quite popular names like Amily, Enzo, Florentino or Annette.

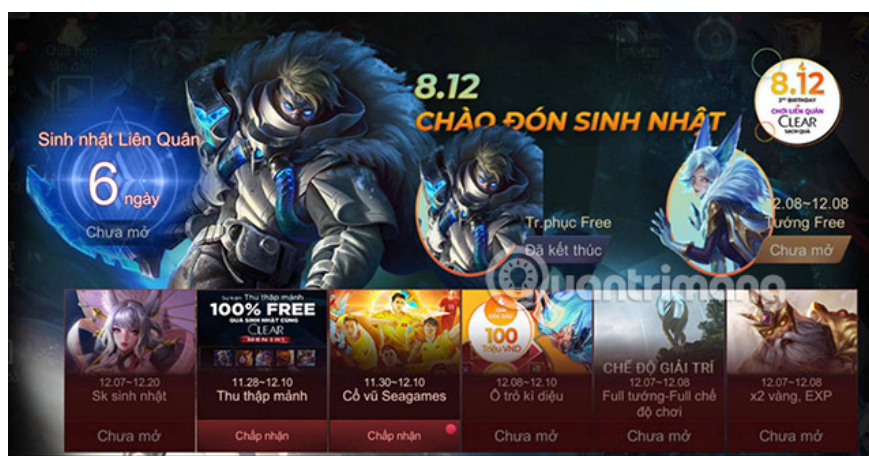

These are all new generals and are rated by many gamers as high quality in each specific position. This event has marked a new milestone in the game that: Garena will give "quite new" generals and they are all new names that have just been released for a few months.

And on the occasion of Lien Lien Mobile 3's birthday. Garena once again donated not only new generals, in which the most notable name is Zip. One of the generals that used to be in the Mission Book and is the current most highly valued helper. Zip will be in the chest of generals given for free on December 8.

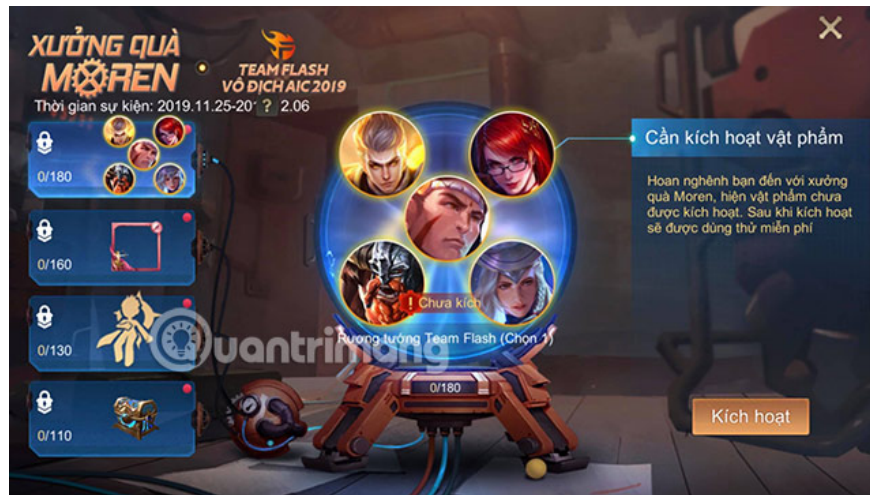

Along with Zip will include 9 other names such as: Astrid, Max, Ilumia, Zuka, Liliana, Lumburr, Thane, Teemee and Skud. To receive one of the generals in this Hero's Chest, players of Lien Quan Mobile will need to log in on December 8.

Most of the names mentioned above are usable champions, except for Astrid and Max. Especially Astrid because very picky players.

Astrid is the most outdated Gladiator of the Coalition, which is why she has very few people touching it and Astrid is often ranked with Omega, Wiro or Azzen'Ka. However, from version 1.32 Astrid has been refreshed the mechanism. She can stack skill combos more seamlessly and create damage effects and increase her control.

If you do not own the Mission Book to have a Zip or have not used Astrid because of previous limitations, this December 8 will be the time for you to pick these generals into your collection.

In addition to the event of giving free optional chests on December 8, players can also own 5 optional Chests in the Moren Gift Shop, 5 optional skin chests in the Event of collecting pieces and Arthur Ice skin in the spin Bingo . along with many other useful gifts through many core features of the Union of Mobile.
