

Get 100GB OneDrive for free from Samsung phones

If you own a Samsung phone and still haven't registered for 100 GB of free cloud storage on OneDrive for a period of at least 2 years, now you can follow the instructions below to know How to get this special offer.

Good news for users of Samsung's Galaxy series phones, sold since 2015, that you can sign up to receive 100 GB of free cloud storage on OneDrive. This promotion is the result of a partnership between Samsung and Microsoft when Samsung allows the installation of a number of Microsoft applications such as Word or PowerPoint on its devices. And if you own a Samsung phone and haven't registered to receive 100 GB of free cloud storage on OneDrive for a period of at least 2 years, now you can follow the instructions below to know how to get this special offer.

Free 100GB OneDrive guide from Samsung phones

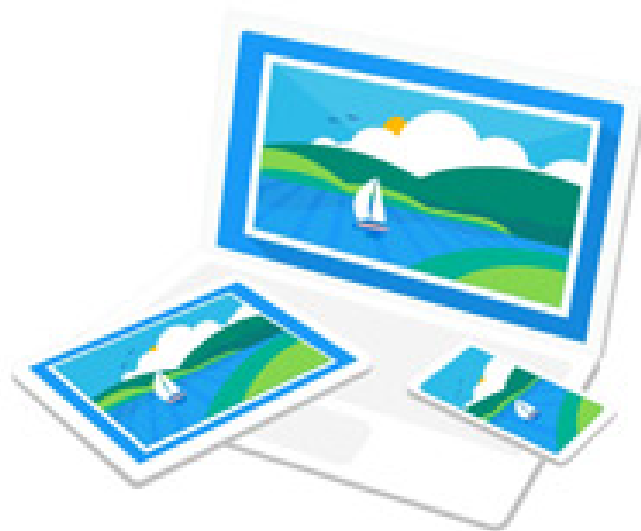

To get 100GB of OneDrive storage, start the OneDrive app on your device and sign up for a new Microsoft account, or log in with an existing account.
