

Get Free Fire characters on 8-3

You will get free character Free Fire this March 8, which is one of the 4 characters quite familiar in the game are Laura, Caroline, Paloma and Kelly.

March 8, many mobile games continuously launch events and attractive rewards. In particular, Mobile Union also had events like the Tower of Goddess and received the Eland'Orr Coalition costume.

Garena Free Fire is also having exciting events for gamers. On March 8, Garena Free Fire players just need to log in to the game to be able to get free characters without having to do anything. To get Free Fire characters, please follow the instructions below this article.

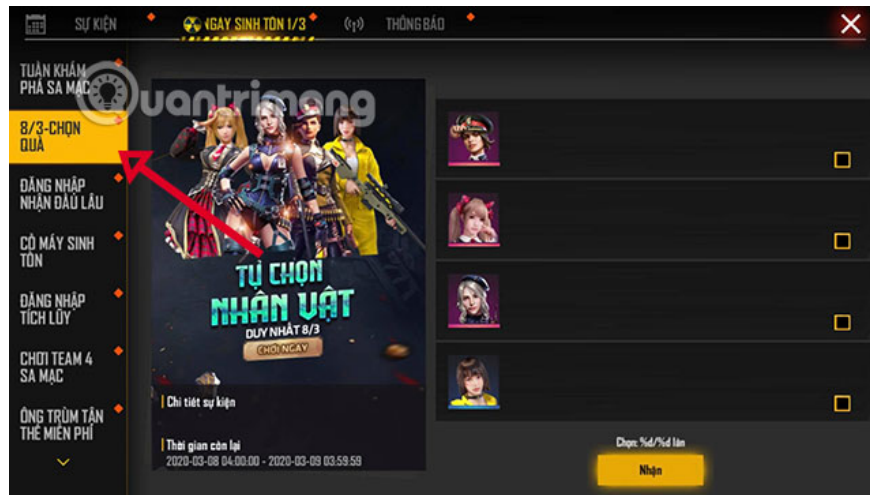

How to get Free Fire characters

Step 1: In the main interface, click on the Event icon with a skull as in the image below.

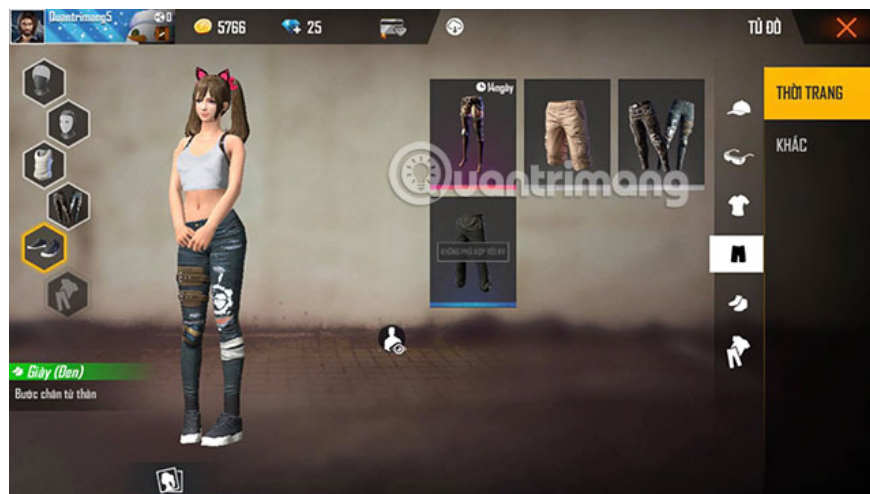

Step 2: At the 1/3 Survival Day you will see the event 8/3 select gifts, click on it and select the character.

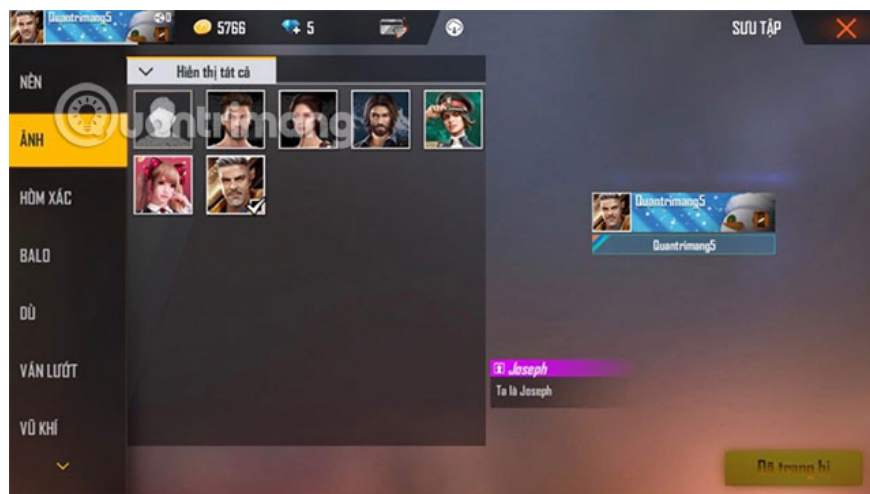

The characters you can recognize are **Laura, Caroline, Paloma** and **Kelly** . Check the character you want to receive and click Get below. You will be asked once again to confirm the selected character.

Step 3: And the character you have received will add to your character list.

In addition to a character, you will also be able to add an avatar of that character in your photo collection.

This event will only take place at 04:00 on March 8 until the same time on March 9. Surely when you read this line, you will have your character.

There are many other events that Free Fire is hosting on the occasion of this International Women's Day. Please come and join the events in the game to get the reward for yourself.

If you have been in action games like Lien Quan, PUBG Mobile, then challenge your brain with two brain hack games, Brain Out and Brain Test. These are two games that will contain illogical questions, so there are questions that do not follow the normal rules.
