

# Get free racing game **Dirt Rally** worth \$ 39.99 via **Humble Store**

Dirt Rally consists of 17 models and 36 complex racing tracks and dust and dirt simulating real-world locations to give players the most realistic experience.

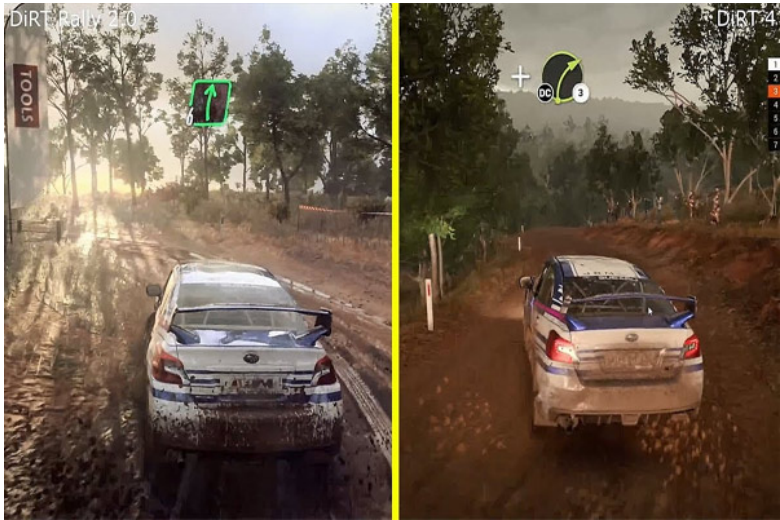

Dirt Rally is a racing game first released in 2015 on PC. Dirt Rally consists of 17 models and 36 complex racing tracks, dust and dirt simulating real-world locations such as the peaks of Colorado Pikes, Powys and Argolis . giving players the most authentic experience.

Dirt Rally has two game modes: single player and multiplayer. Both modes allow you to upgrade your own car, hire and train your own team.

Thanks to the great physics, many racing cars from different eras and beautiful graphics, Dirt Rally is rated by game review sites with a high score of 8/10.

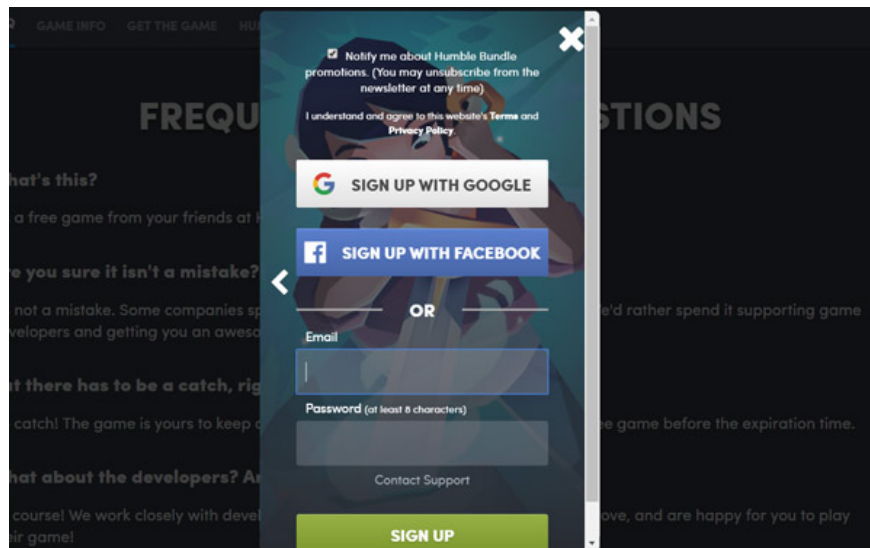

Currently, the distributor of Humble Store is giving away the free Off-Road Dirt Rally racing game worth \$ 39.99 until September 1. After successfully receiving this game for free on the Humble Store, you will have the key to enter Steam and play Dirt Rally permanently on Steam.
