

Gone Home offers, the title of the best 'Best of the Year' game for 14.99 USD, is free

Gone Home is a horror adventure game that has won many major awards like Best Debut 2014, Best of the Year, Best game 2013 ...

Gone Home is a horror adventure game that has won great prizes like Best Debut 2014, Best of the Year, Best game 2013 . With Gone Home game, players will experience the feeling of loneliness and fear. When you have to be home alone in a large room on a rainy night full of lightning.

In Gone Home, players will play Kaitlin Greenbriar, Terry's eldest daughter and Mrs. Jan Greenbriar, who live in a town called Boon County, Oregon, USA in 1995.

Back after more than a year of living abroad, Kaitlin looked forward to seeing his family again but welcoming her was just a cold house, not a shadow. More frightening is that Kaitlin also received an extremely unusual message from his sister Sam and his mother. It seems something strange happened here when she was away.

The player's task is to find clues in a large house in the midst of a rainy night, to find out what happened to Kaitlin's family.
