

Google has just launched a Christmas gift app, have you tried it?

Play these mini games immediately to welcome a new and exciting Christmas season.

Christmas is a great holiday for religious people in the world. Have you prepared anything this year to welcome the upcoming Christmas season? As for his big goole, he started to prepare for many upcoming projects for the festive season at the end of this year, specifically, goole has recently brought users an extremely interesting and beautiful application. Help you that is Santa Tracker application: this is an **application that** takes you to visit the village of Santa Claus

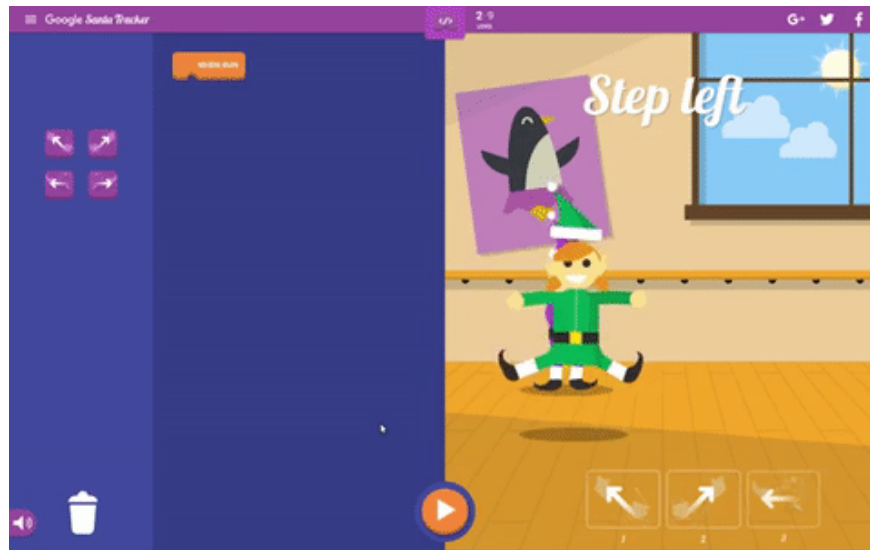

Here you are not only entertained with new games but you can also learn good and rewarding things. A very special thing in this application is that you can ask Mr. Santa to send warm and peaceful Christmas greetings to your relatives and friends, is it interesting?

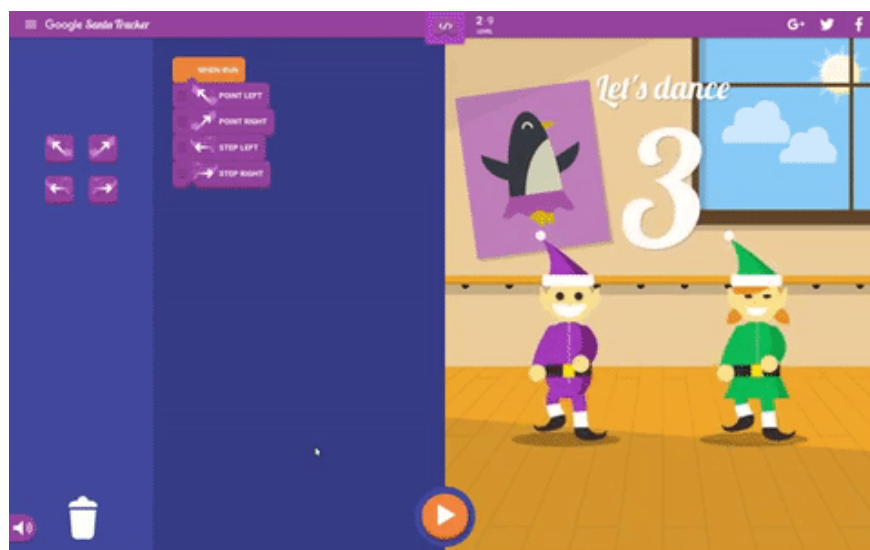

(Note: you can go here to play on the web or download to play on phones running Android OS)

1. Jump with the elves

This is a very fun and simple game, just look at the green goblin to guide the dance, then you move the arrows according to the instructions and jump the same steps so you can dance.

In addition to the dance mode, you can also choose "freestyle" dance mode, which is to dance to your own liking and creativity, when you finish the dance, you can share it with your friends and watch your own dance choreographed

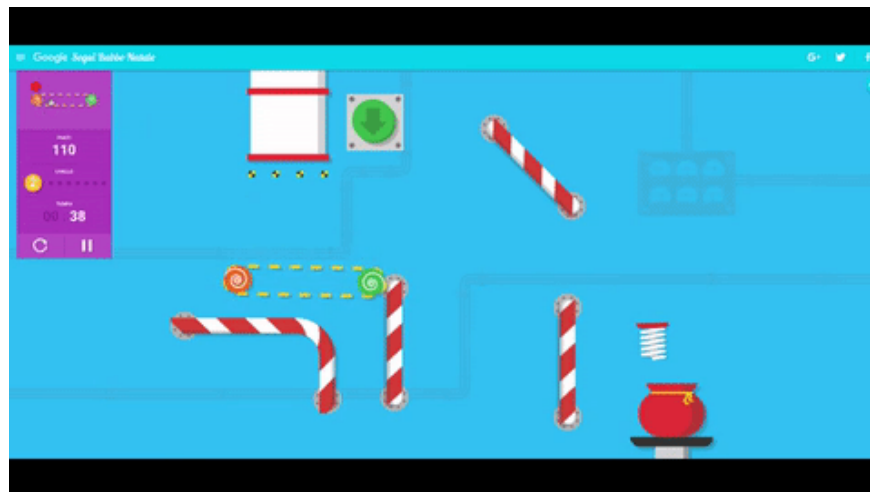

2. Learn customs in countries

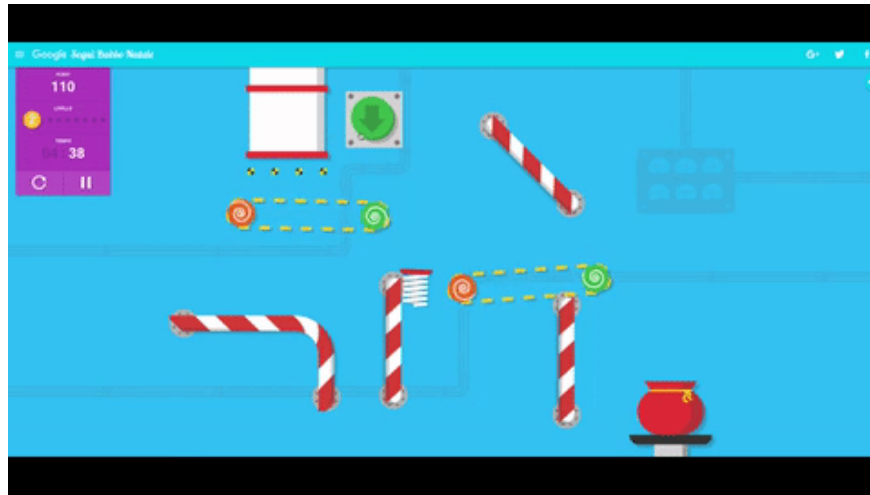

In this section, it is actually not a game but useful information about Christmas day in the countries of the world, if you want to learn about the customs of this Christmas day, choose Learn When you click here, Mr. Santa will give you a map of the world and you just choose colors according to your preferences and interesting information about Christmas will appear, through which you have more useful knowledge. For yourself, it's good, isn't it?

3. Join gift packaging line

This is a game that requires quick hand and quick eye, your task is to move how to use the lines, springs to move your mind properly and run to the gift bag you can complete Successful quests and more challenging levels.

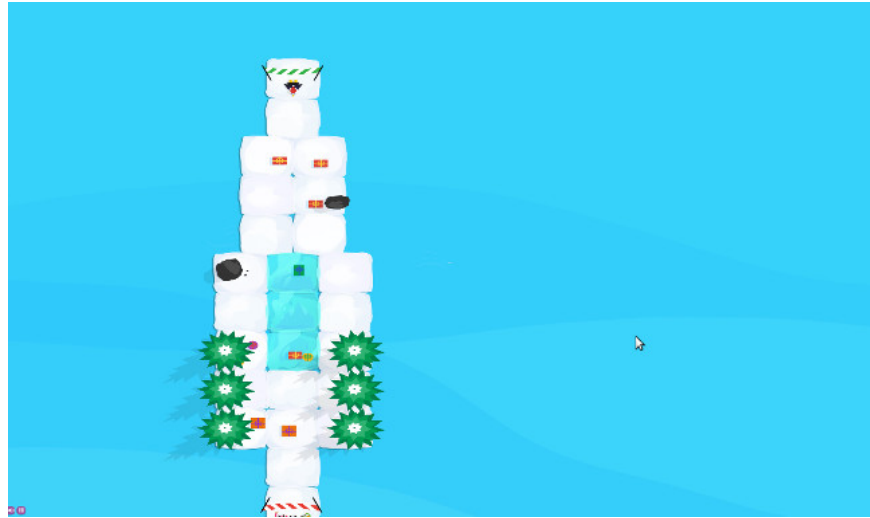

4. Beautify Santa

In this game you will play as a "style" to help Santa change himself after a year, helping him become more beautiful when meeting small friends. In this game is also equipped with a lot of things to help you beautify Santa as the trimmer, hair dryer, spray, dye and accessories to decorate your hair so you can spoiled creative and "falling" again to help Santa go to give Christmas gifts.

5. Penguins skate

In this game you move on arrow phhims on your computer or phone and you need to be quick and clever to be able to move the penguin to a safe destination, on the runway you need Be careful with the pitfalls waiting for you, besides helping the penguin pick up the gifts that fall on the runway.

Every day Google will add a new game so there will be a lot of gifts waiting for you every day. Visit Santa Tracker regularly to get new surprise gifts.
