

GTA 6 will be released in fall 2025

GTA VI has a specific release date set, but the exact date has not yet been determined. Just know that the game will be officially released in the fall of 2025.

In Take Two's fourth quarter 2024 financial report, GTA 6's launch date was revealed. Previously, Grand Theft Auto VI was expected to be released in 2025, but Rockstar did not reveal the official release date of the game.

Now, the game has a specific release date set, but the exact date has not yet been determined. Just know that GTA 6 will be officially launched in the fall of 2025.

Along with positive development momentum entering fiscal year 2025, Take-Two expects net revenue to reach from 5.55 to 5.65 billion USD. This outlook reflects the fact that Rockstar Games has narrowed the launch time frame for Grand Theft Auto VI from all of 2025 to fall 2025. Take-Two is confident that Rockstar Games will deliver a great entertainment experience yet, ever, and expectations for the title's commercial impact continue to grow.

In other GTA-related news, Rockstars reported that GTA V has sold 200 million copies - an incredible achievement, making it the second best-selling game of all time, but still short of 100 million copies compared to the game currently occupying the throne - Minecraft.

When asked more about the official launch date, Zelnick - CEO of Take-Two shared: "We have finalized the launch date around the fall of 2025 and feel very satisfied with that. Rockstar has not revealed details yet." specific details, but they have released a trailer 'storming' the internet and there will be more official information from Rockstar in the near future."

Mr. Karl Slatoff, president of Take-Two also said: "The gaming community is extremely eagerly waiting for GTA 6. Expectations are very high, both we and gamers around the world are looking forward to a masterpiece." perfect from Rockstar."

Recently, Rockstar's website has caused a stir in the gaming community. In the GTA 6 section, there suddenly appeared a blank space for 4 screenshot boxes with the title "launch date" in the "technical specifications" section. ", along with mentions of "cover art" and "digital purchase" (presumably allowing players to pre-order). However, this information was removed soon after.

Aside from the previously leaked trailer, Rockstar has yet to share any more details about the most anticipated game of this decade. There are even rumors that the studio is planning to launch a PC version of the original Red Dead Redemption, but as of yet, there is no official information on this.

That's all the information we know about GTA VI's release date next year. From now until the game officially launches, players will be able to receive more information about the content, configuration or platform that Rockstars will put GTA VI on first.
