

# GTA V is free for the first time on the Epic Store, starting at 9pm tonight

GTA V and some other DLC content will be free on Epic Games, starting from 9pm tonight (May 14, 2020), the promotion will last a week.

According to a source on Twitter, GTA V and some other DLC content will be free on Epic Games, starting at 9pm tonight (May 14, 2020), the promotion will last a week.

GTA 5 was first released on September 17, 2013 and is a perfect game with top-notch graphics, excellent gameplay, and engaging game content. This is really a game that any gamer is forced to play once in life if he does not want to regret it.

This is the first time since its launch, this open-world action adventure game from Rockstar was given completely free to players. Gamers please wait until the promotion starts and quickly register to be able to own this game without spending any fees.

## How to get free GTA V

Step 1: Log in or register an Epic Games account, if not already, follow the link here.
