

Gu surprising fashion of technology billionaires

If you love and want to learn the style of Silicon Valley CEOs, you can choose clothes for less than \$ 200 below:

The executives (CEOs) in Silicon Valley may not be well known for style fashion, but many of them often use "brand name".

Many CEOs earn millions of dollars every year and many of them have billions of dollars in net assets.

As a manager and also quite popular, they do not often buy based on price as well as their choice of fashion is not always suitable to appear in public.

If you love and want to learn the style of Silicon Valley CEOs, you can choose clothes for less than \$ 200 below:

Evan Spiegel (CEO Snapchat) : Evan Spiegel billionaire is named the youngest in the world. Because of his youth, Spiegel's fashion style is also very open, he often wears V-neck T-shirt T-shirt, black jeans and white sneakers with very romantic and youthful style. Spiegel's clothes are only \$ 142.

Sundar Pichai (Google CEO) : With Sundar Pichai he often likes simple and popular fashion sense. You can see that he is very loyal to old-style jackets and jeans. The shoes he usually wears Lanvin cost about 500 USD.

Twitter and Square chief executive Jack Dorsey : Like other CEOs, both Twitter and Square executives have a liberal, dusty, street-oriented style with a wide dark t-shirt to reveal tattoos. The personality combined with Rick Owens' \$ 1,000 athletic shoes is often chosen by Dorsey.

Sheryl Sandberg (Facebook CEO) : Unlike most Silicon Valley colleagues, Facebook's CEO, Sheryl Sandberg has always appeared with a stylish, polished and professional fashion right by a powerful woman. . Sheryl is known as one of the five most powerful female generals of the technology village. Not only that, she is also a powerful "right hand" to support Mark Zuckerberg in many important decisions. Sheryl Sandberg came to Vietnam in November last year.

Satya Nadella is director of Microsoft : Satya Nadella is probably the only Silicon Valley man rated by Business Insider as the best-dressed man. Instead of choosing a regular T-shirt, he chose to use super cool material, wear high-quality Lanvin shoes. Nadella's costumes are often extremely fit with his body.

Kevin Systrom (Instagram CEO) : Kevin Systrom is considered one of the most handsome CEOs in Silicon Valley because of his stylish style. Systrom always selects for me the colorful pants and sweater and shirt inside to create the highlight.

Mark Zuckerberg (Facebook CEO) : Surely this character was too famous for his minimalist and repetitive style of clothing with a sleeveless gray T-shirt and blue jeans. However, recently at F8, Mark Zuckerberg had a significant change in his fashion when he appeared with a long-sleeved green sweater, black jeans.

Tim Cook (CEO Apple) : CEO of Apple, Tim Cook loves Nike's simple shoes. He also often appears with bright khaki pants and dark long-sleeved shirts.

Susan Wojcicki (YouTube CEO) : Despite being a rose, Susan Wojcicki pays little attention to her dress because she is one of the busiest people at Google. Susan's wardrobe is also quite simple with the same style worn in many programs.

Jeff Bezos (Amazon CEO) : In the last few years, Amazon CEO Jeff Bezos has had a spectacular breakthrough in his fashion style. Instead of using a tunic, sometimes a three-hole jacket he decided to use more than a fashion leather jacket outside of Polo's shirts.

Elon Musk (CEO SpaceX, Tesla) : Elon Musk has a chic style: He used to wear a jacket from designer Alexander McQueen and did not hesitate to wear a tuxedo suit combined with high leather boots.

Jonny Ive (Apple Vice President) : Geniuses are often different people are not wrong. Jonny Ive is known as a talented designer of Apple, but he is often criticized for his overly sloppy dress, when he wears pants that are too long, his shirt is too wide, not to mention the colors that are often "weird" in his jacket orange, red socks.

Daniel Ek (CEO of Spotify) : Daniel Ek often choose for himself very simple costumes when appearing in public. Blue jeans with Nike Air Force T-shirts and sneakers.

Jack Dorsey (Twitter CEO) : If before when famous, people often saw Jack Dorsey often wearing oversized T-shirts. Now that he is more mature, Dorsey's fashion sense is gradually changed and improved. so many, so much.
