

Guidance on National Flagging on Facebook profile picture

Adding a National flag to an avatar image Facebook is one of the popular frames on Facebook.

To refresh Facebook avatars there are many ways you can use videos as avatars on Facebook phones, or use Facebook avatar frames. One of the most popular frames used by many people is the National flag on Facebook profile picture. There are many different types of Vietnamese flag frames, or special, meaningful messages. The following article will show you how to add a Vietnamese flag to your Facebook avatar.

1. How to protect your Facebook profile picture
2. How to create an avatar image and Facebook cover photo match
3. How to create an avatar chibi Facebook with Unnie doll

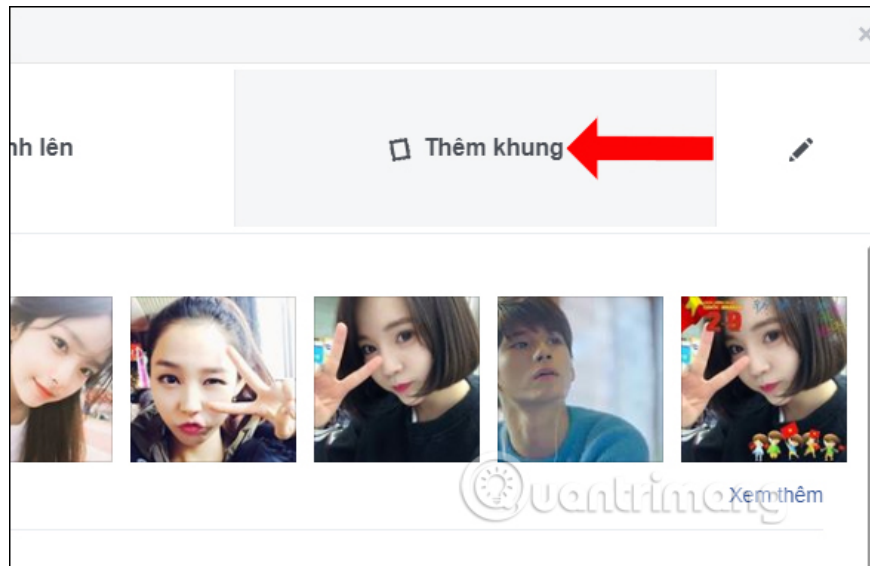

1. How to flag the country on avatar Facebook

Step 1:

At the Facebook account interface on your computer, click the **Update** button in the avatar.

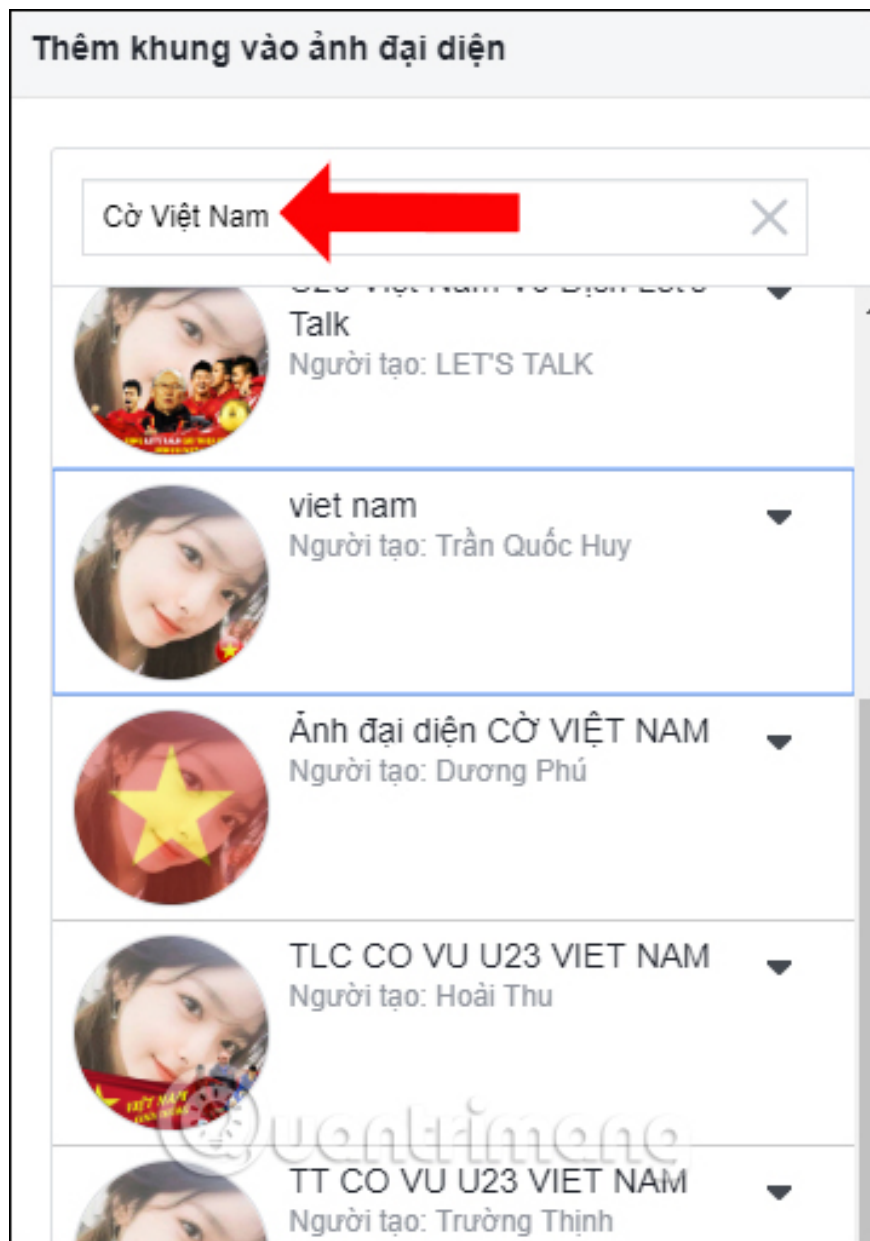

In the new interface there will be different options, click the **Add frame** section.

Step 2:

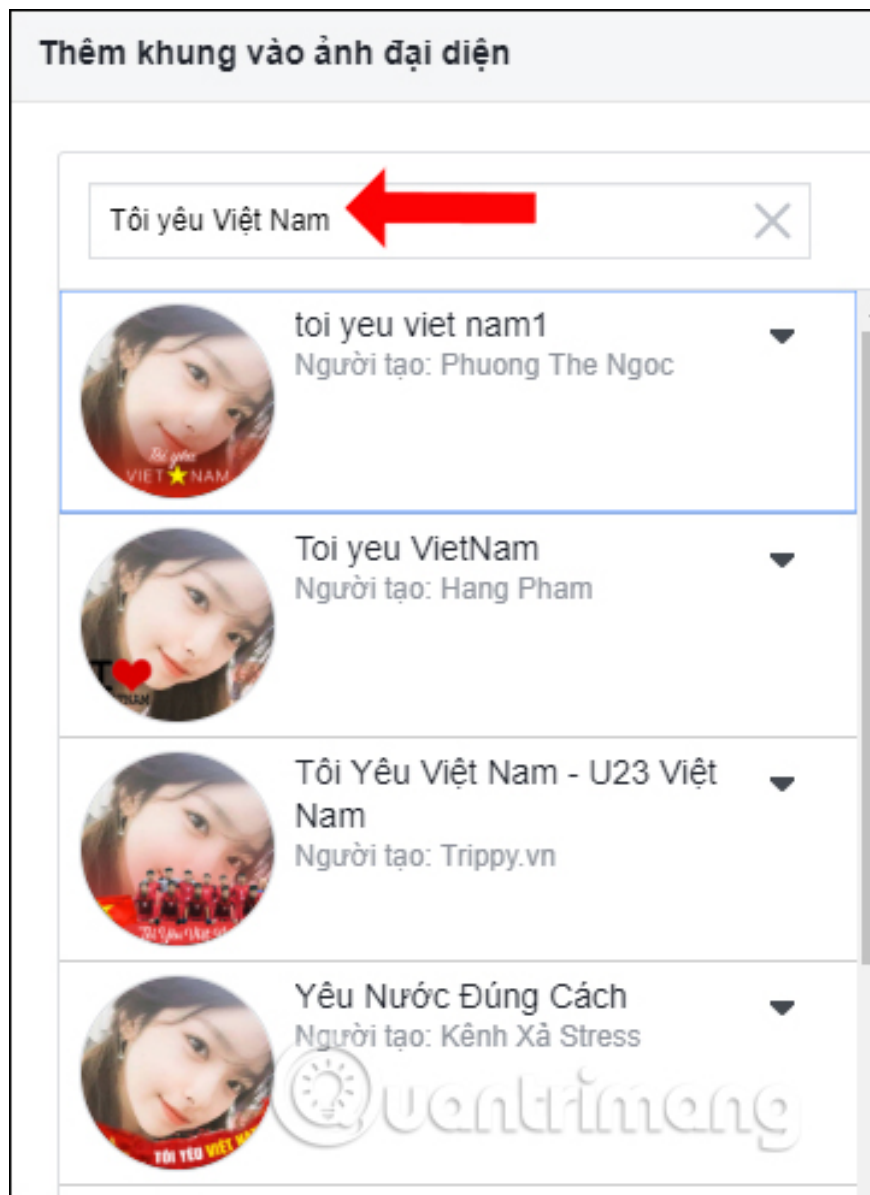

Switch to the frame search interface for avatars. Here the search box above, users enter the keyword Vietnam Flag to search for frames with national flags.

Below will display the found frames according to the keywords you entered.

Or you can enter keywords I love Vietnam and will also produce frames with National flags and other words.

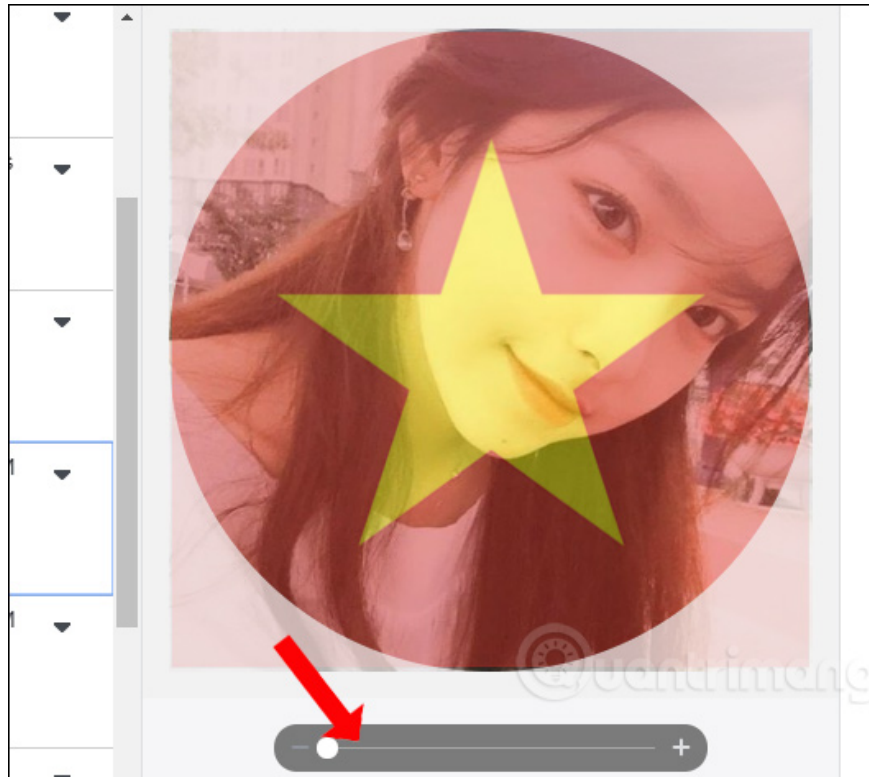

Especially in this set of frames, there are Facebook avatar frames that encourage changing Vietnamese recruitment, users can choose if they want to use.

Step 3:

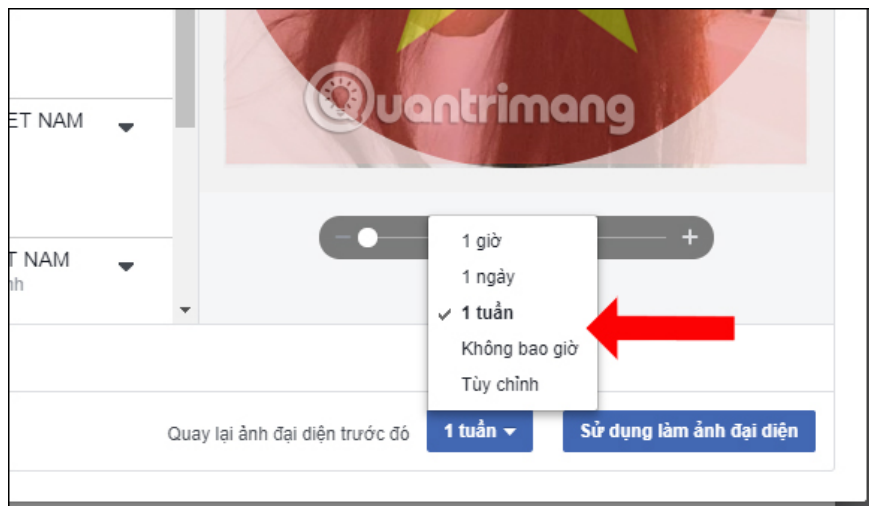

Click on the frame you want to use and the avatar will be applied right next to the interface. Users can adjust **the size bar** below to zoom in, or zoom out depending on the avatar that fits the frame.

If you want to use another avatar image, click Change image.

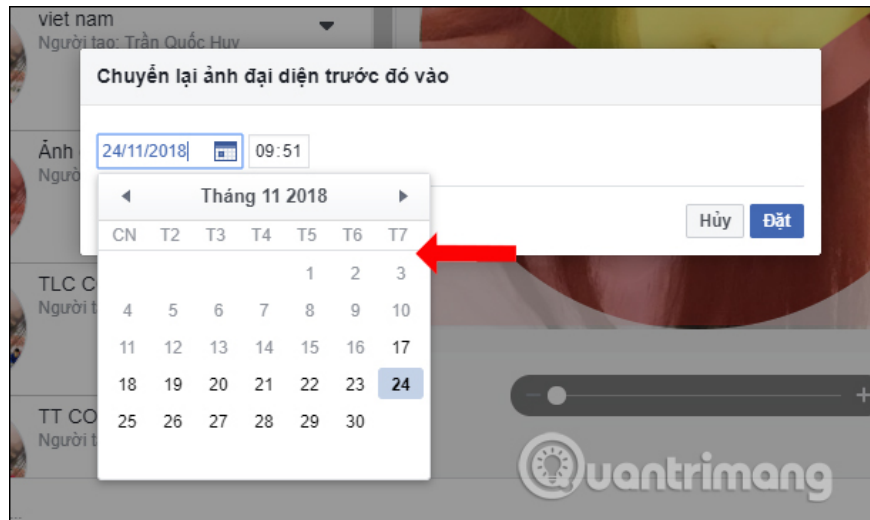

Step 4:

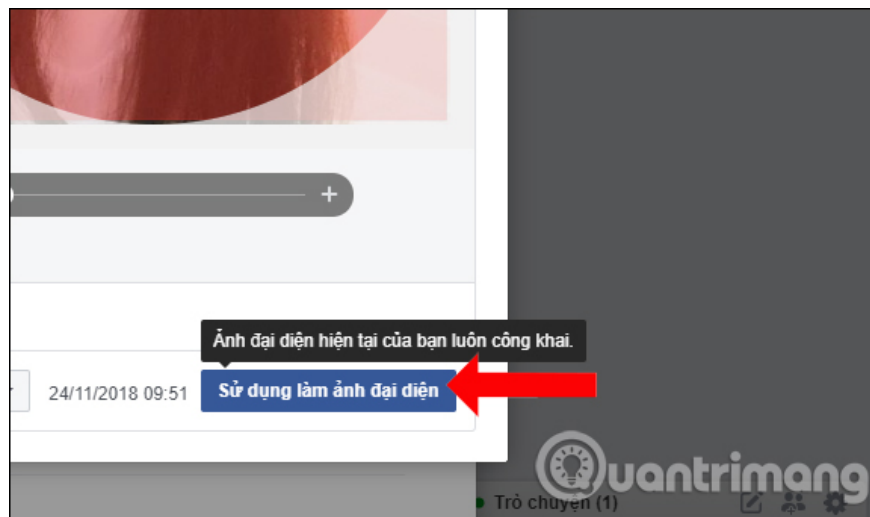

Under the user can also choose **the time to use** this new avatar, after a certain period of time to return to the old avatar.

If you want to select a specific time, click on **the Custom section** . Here users can choose specific time to switch back to the old avatar.

Finally click **Use as your avatar** to change your avatar on Facebook.

2. Set the national flag avatar on Facebook phone

Step 1:

In the user account interface click on **the camera icon** in the avatar and then select **Add frame** . It will also display the keyword input interface to find the frame you need.
