Some note:

1. You may not always apply the above tips for saving and spending money in accordance with 100% of the instructions. It depends on the circumstances of each match and depends on your health, in addition, the opponent's blood and roll are needed or not needed by the generals.
2. You may not need to follow each round properly, but take a closer look at the order of each stage used according to the match time you choose. Whether or not you get into the TOP 4 depends a lot on your team building early and mid game. As for the end of the game, gamers often rely heavily on dignity.

Above is the experience of spending money effectively in the Arena of Truth season 2. If spending money for the team has more strength, it is essential in the game but decide when the most necessary.
