Conditions to advance Viettel VND 100,000 by Airtime Credit

Not all Viettel subscribers can pay Viettel VND 100,000. In order to join this service, subscribers need to satisfy the following conditions simultaneously:

1. Being a Viettel prepaid subscriber and still operating normally 2-way.
2. Your subscriber must have a minimum consumption of VND 70,000 per month to have the opportunity to advance with Airtime Credit service.
3. Your account has a minimum of VND 1,000.

If your prepaid subscriber does not meet the requirements of this Viettel 100 VND deposit, you can still make the default Viettel payment by the * 911 # syntax and click **OK** to receive an advance of VND 5,000.

How to pay Viettel 100,000 VND by Airtime Credit

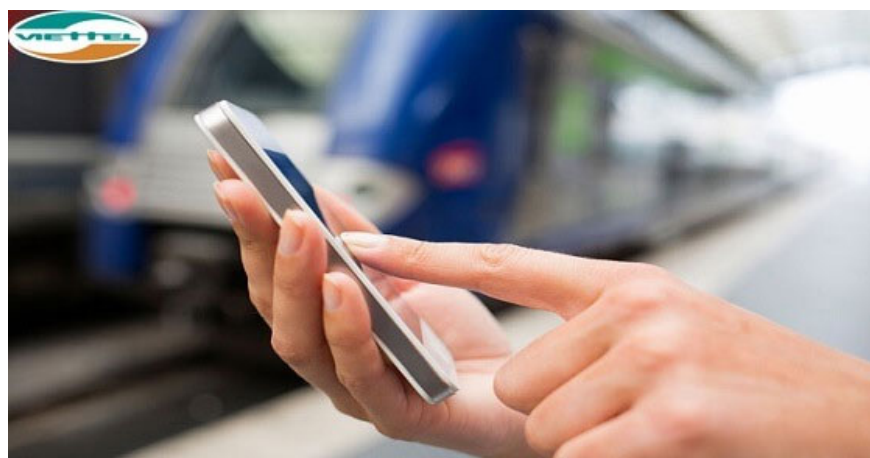

Once you have ensured all of the above conditions, you can start registering to use the cash advance service from Viettel in 1 of 2 ways:

Option 1: Cash Viettel 100,000 VND with USSD command

From the phone keypad, press * 918 # and press OK (or Call key). After that, the system will display a guideline and you just need to follow this instruction to pay Viettel 100k with Airtime Credit service successfully.

Method 2: Deposit Viettel 100,000 VND with messages

From the messaging application, you compose messages according to UT syntax to 9118 . Immediately, Viettel will send back the amount that you are entitled to pay. Based on the conditions of using the subscriber in the last 3 months, you can apply from 5,000 VND - 100,000 VND for 1 time. Depending on your needs, select and follow the instructions on the screen.

Note when applying Viettel 100k with Airtime Credit

1. The amount of money received from Airtime Credit service is only added to the original account, not plus the use date.
2. Make a payment of the previous amount, you can apply for the next payment.
3. Viettel 100k cash advance service fee by Airtime Credit is 15% of the paid amount, unlike 10% for Viettel.

Hope that Viettel's cash advance above will save you in necessary cases. Besides, you can also use the money just to install Viettel ringback tones with a few extremely simple and fast operations.

Good luck!
