

Guide to change nicknames and characters in Pokemon Go

Pokemon Go allows the game player to change the character name in the game, accompanied by a change of character if you have a need. This is a new feature that manufacturers bring to Pokemon Go players.

Pokemon Go becomes a familiar name in most game charts or fanpage game comments of gamers. All ways of playing related to Pokemon Go like how to level up quickly, how to evolve Pokemon, . all become the attention of each player.

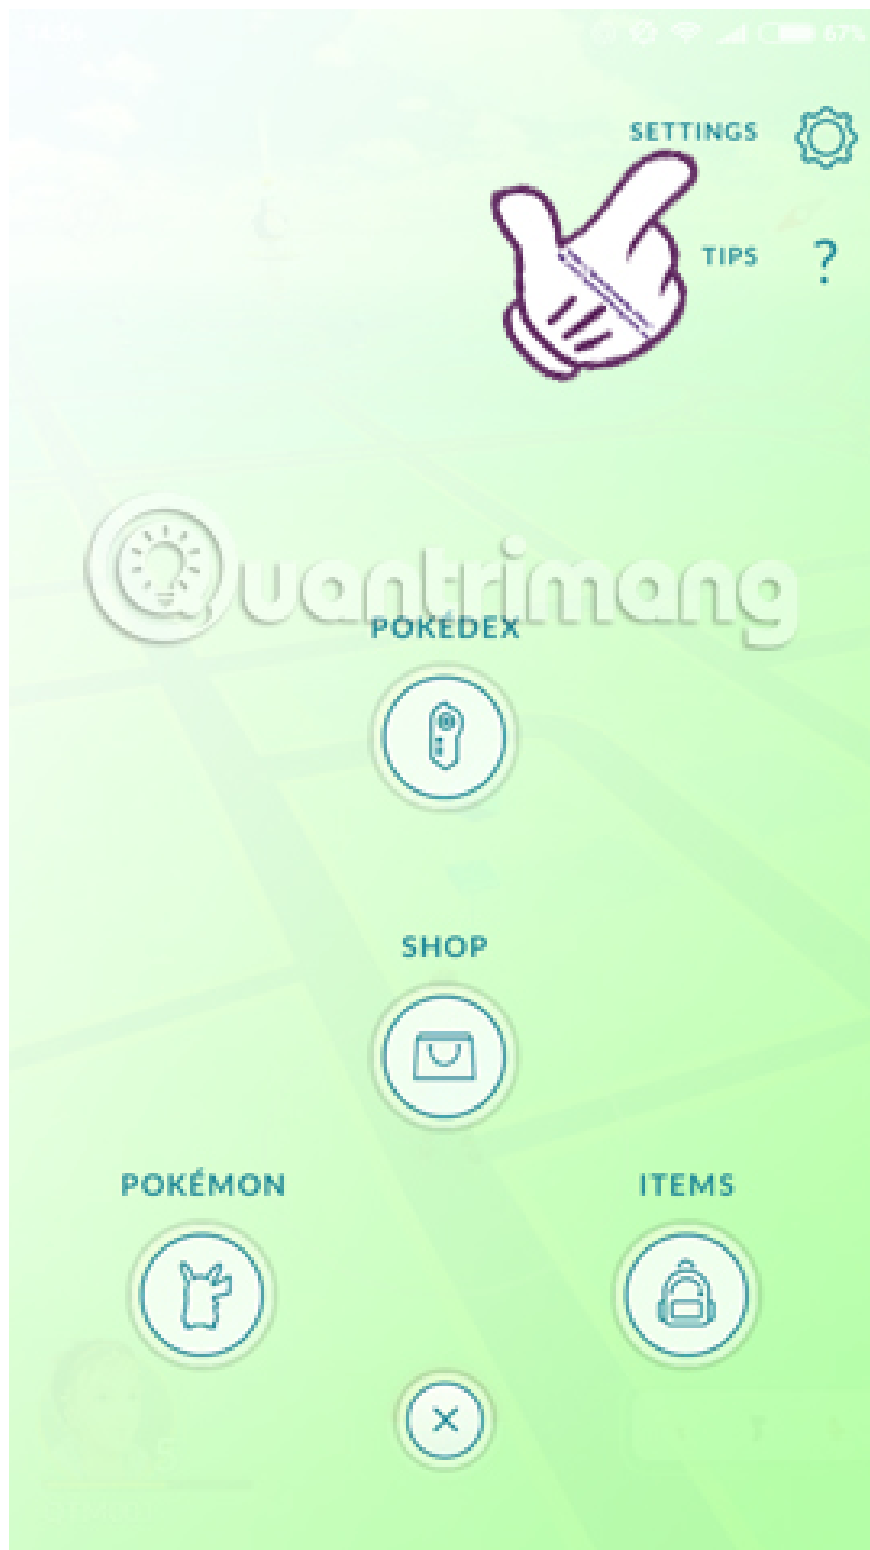

And recently, the manufacturer has updated the feature to allow the exchange of information related to game players, including character names or representative images. Players will change their name in Pokemon Go, or choose completely new images for themselves.

1. How to rename Pokemon Go characters:

Step 1:

In the main interface of the game, click **the Pokeball icon** in the middle of the screen. Go to the new interface, select **Settings** with the gear icon.

Step 2:

We will see a **list** of game **settings** . Swipe down, find and tap **Change Nickname** . Immediately a message appears that wants to change the character name or not? Click **Yes** to perform the renaming process.

You are now known as QTM01.

OK

QTM01

2. How to change Pokemon Go characters:

In addition to changing the trainer name, we can also change the character appearance if desired.

Step 1:

Also at the main interface of the game, click on **the representative image of the character** below the left corner of the screen. In the new interface, click on **the 3 dashes icon in the green circle** .

Step 2:

Continue to select **Customize** to change characters. You will see the game offers **9 items to change your appearance** , from hairstyle costumes, accessories to accessories, .

The change of characters in the game with accessories will be done many times if the player needs. But the change of name for the coach will only be changed once.

Wish you all have fun playing games!
