

Guide to hide the list of liked YouTube videos, saved on iPhone, iPad

How to keep your favorite videos and saved playlists safe? YouTube allows you to do that. Let TipsMake.com guide you through the steps.

How to keep your favorite videos and saved playlists safe? YouTube allows you to do that. Let TipsMake.com guide you through the steps.

YouTube has quite a few settings that allow users to personalize the app experience. Currently, depending on your wishes, you can hide or display your favorite videos and playlists saved on YouTube. When you don't turn on private mode, other users will see your videos as like videos, saved videos. Conversely, if you leave the mode hidden, your actions will be kept private.

How to hide / display your favorite, saved videos on YouTube

Step 1 . Open **YouTube** app on iOS device.

Step 2 . Click on your **profile** icon and click **My channel** / **My channel** to open your YouTube channel.

Step 3 . In the right corner of the channel, click **Settings** / **Settings** [gear icon].

Step 4 . In the **Privacy** / **Security** section, select or remove options according to your needs.

1. Keep all of my liked videos private (Keep all my favorite videos private)
2. Keep all of my subscriptions private (Keep all my subscriptions private)
3. Keep all of my saved playlists (Keep all my saved playlists private)

Bảo mật

Giữ tất cả video đã thích của tôi riêng tư

Giữ riêng tư mọi đăng ký của tôi

Giữ tất cả danh sách phát đã lưu của tôi riêng tư

With this simple operation, you can hide the list of liked, saved YouTube videos, avoiding the prying eyes of people you don't like.
