Guide to hiding videos "Poor fake president and ending" on Youtube

1. Hide videos Poor president and the ending on computer YouTube

Step 1: First go to the Chrome store in this link, then find the keyword **Video Blocker** in the search box.

Step 2: Next click **Add to Chrome** at the side of the gadget.

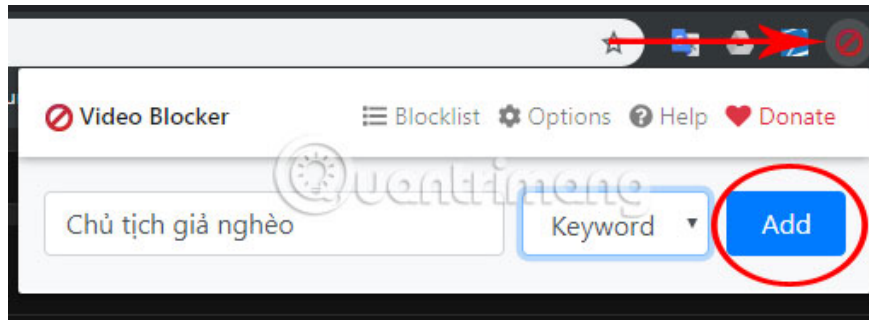

Click **Add widget** to enable Video Blocker to read and change your data on Youtube.

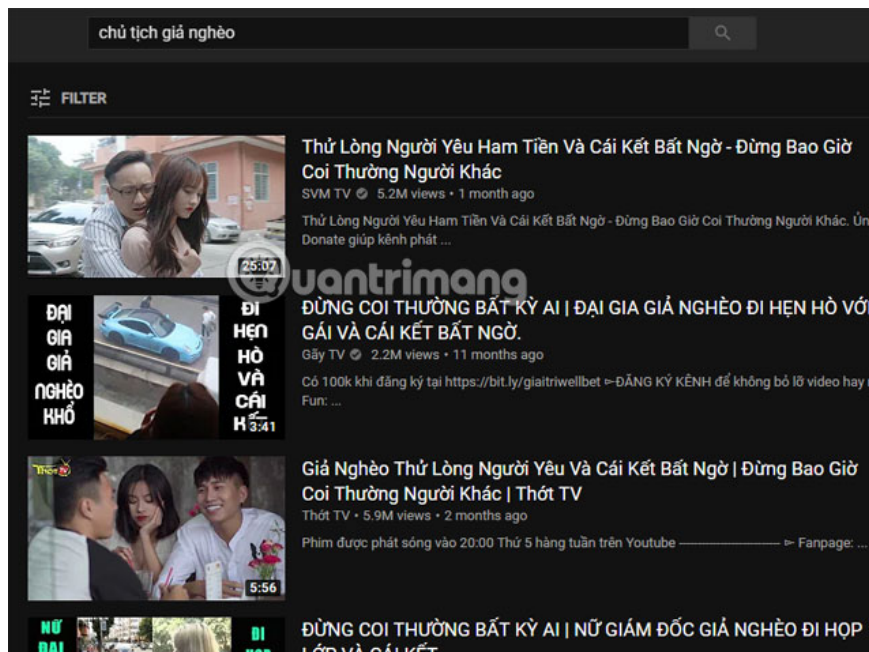

Next utility will be added to the list of utilities in the upper right corner of the browser. After that, just adding the keyword "poor president is despised and concluded", "the fake chairman of the motorcycle taxi is despised and concluded", "the pseudo-corn false chairman is disrespectful and the ending". .

Then select the keyword section and click add to add the keyword you want to block, in addition, if you see the name of the channel or appear these videos, you can switch from the Keyword to Channel section and add the name of the channel.

Then turn off the browser and turn it on again, find the poor fake chairman keyword you just added to the Video Blocker to see the results. Although there are still relevant results, the main keywords have already been removed.

2. Hide videos Poor fake chairman and the ending on Youtube phone

Step 1: On the phone, if you come across many disregarded chairman topics and ending videos, you can click on the three dots icon in the right corner of the video. Next click **Report** on the list of windows that appear.
