## Guide to playing Merge Tactics Kingdom Defense for newbies

### 1. Select and upgrade generals

First you will have to complete the missions in the game to unlock and receive many different types of generals, and use gold or gems to upgrade generals. By upgrading generals to get experience points, and to level up and help unlock new types of generals for you.

However, it is important to note that players can only choose up to 4 different types of champions.

With enough silver, you can create an unlimited number of champions on the battlefield. Silver coins in Merge Tactics Kingdom Defense are used to create the number of fighting heroes. The more silver coins, the more

heroes you can deploy.

There are 4 different types of generals in Merge Tactics Kingdom Defense, including Ranged (ranged hero), Tank (Tank hero), Magical and Support (support hero).

## 2. Unlock works in game

By using gold or gems to unlock locations and buildings in the game to help players receive items and rewards to improve stats, increase the amount of money, increase melee stats, . .

In Merge Tactics Kingdom Defense, there are many buildings that you can unlock such as the mage tower, gemstone mines, .

In addition, to earn more gold in the Merge Tactics Kingdom Defense, the player can:

1. - Complete the quests.
2. - Open chests for free.
3. - Collect coins.

## 3. Protect the Kingdom

In the higher levels of play, players will have to constantly confront invading enemies. To reverse the situation, you need to build yourself a powerful army, including:

1. - 2 Prime Minister (Ranged class).
2. - Knight or Paladin (Melee class).
3. - A Magical General.

#### **4. Complete the missions to receive rewards**

Completing quests in a specified amount of time not only gives you gold coins, but also gives chests for free. There is only one note that you can only participate in completing quests if you have a quest code. This code can be found in quests or in chests.

In case if the mission is complicated and cannot be completed, the player can use gems to refresh the quest.

There are many ways to earn gems or gold coins in Merge Tactics Kingdom Defense, such as completing combat missions, using generals in main missions, .

#### **5. Upgrade generals**

If you are a new player, you will have to familiarize yourself with commanding skills to build your own generals. Note that a deck of cards only consists of 4 champions, you can choose 1 Tank, 2 Archers and 1 Support or 1 Magical. Each general in the game has its own skills and abilities.

## 6. Earn EXP to unlock Endless Mode

Experience or experience points can be used to level up or unlock Endless Mode in the game. Once you level up, you will receive rewards, level up items as well as Loot chests (containing gold and blocks).

Your task is to collect as much experience as possible. There are many ways to get experience points, such as unlocking and upgrading buildings, .

In addition, when reaching level 5 or higher, players also have the opportunity to unlock Endless Mode.

## 7. Complete the reward quest in Endless Mode

Endless Mode is a brand new mode in Merge Tactics. When in this mode you will have to face a series of enemies, not limited to number. Your mission is to defend your Kingdom for as long as possible, to get many different loot after the battle.

The biggest limitation is that after each match, players will have to wait about 1 hour to come back and play in Endless Mode. Also make sure to reach a maximum of level 5 to unlock this mode.
