

# Guide to renaming characters for free in Boom M

In the article will guide you how to rename characters for free in Boom Mobile at the first time

Boom Mobile also allows users to edit personal information, information such as avatars, character names or nicknames. But no game allows users to edit information continuously, but when you want to change, you have to waste, even a very high fee to change your information. To change the character name in Boom Mobile for free, follow the instructions below.

1. Instructions to play Boom Mobile for newbies
2. Ways to receive Lucci Purple, Diamond and Gold in Boom Mobile
3. How to unlock characters in Boom Mobile

## How to rename characters in Boom Mobile

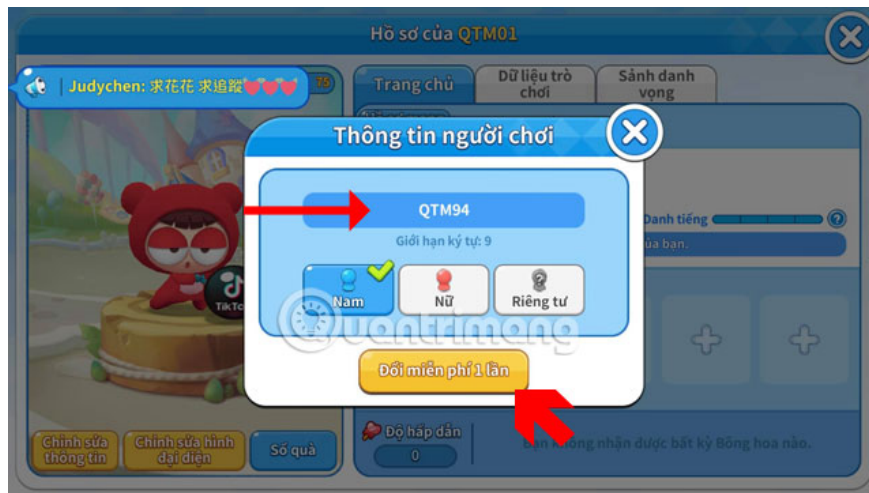

**Step 1:** First in the main interface, click on the avatar icon in the upper right corner.

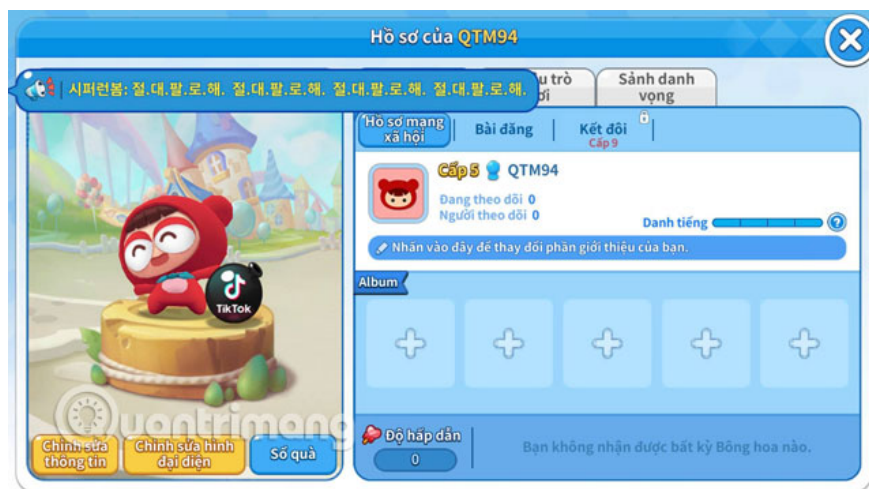

**Step 2:** Once you have entered your Personal Profile view, in the character window, click Edit info.

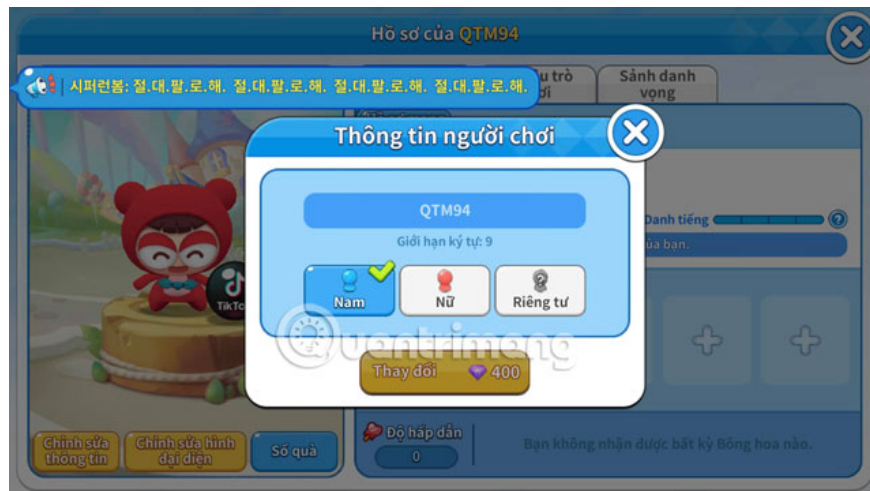

Next in the player information table, click on the frame of your name and write a new name. Then click **Free Change once**.

Now you have seen your character's name successfully changed.

And if you want to change your name again, you will need 400 diamonds for the next change.

It's quite simple for you to rename your character in Boom Mobile, but the number of free exchanges will be only once in the first time. It's easy to understand because there are no game publishers that allow players to change their names constantly.
