3. 12 surprising facts about logos of world famous brands

When it comes to **Guinness record**, one of us often thinks of outstanding achievements, unique abilities or things that surpass the limits of human endurance. However, in the list of the most weird things in the world "unique" sometimes it is so bullshit and bizarre that you can not expect. **Invite you to take a look at the many weird things in the world in " Guinness Record 2018" offline!**

Speaking of long fingernails, **Ayanna Williams** is holding the world record. Ayanna Williams lives in Houston, Texas who has a total nail length of about 5.4m (*18 feet*) - the leader in this record.

According to a Guinness spokesman, who previously held the record, **Chris "The Dutchess" Walton** , has nails about 5.8m (*19 feet*) long, but is scratched by the book after cutting them.

Therefore, Williams was officially announced as the new nail champion in the 2018 Guinness edition of the September 7 issue.

However, Ayanna Williams is not the only one who holds the odd record. Please see more!
