If you want to choose a hair color that is both beautiful and flattering to your skin tone to change your look and create an impressive appearance, then please refer to the article below.

1. Burgundy red

Burgundy red is a blend of red and brown tones, suitable for all skin tones. Therefore, dyeing hair burgundy red is currently a top choice for many women.

For those with fair skin, dyeing your hair a wine red with a hint of copper will make you stand out more. If you have darker skin, dyeing your hair a wine red with a deeper reddish-brown tone will give you a more sophisticated look.

2. Dark purple

Dark purple-black is one of the hottest hair colors of 2022, loved by many. This dark purple-black shade is quite subtle, so bleaching isn't necessary, and it will make you look youthful, fresh, and incredibly attractive. This hair color is very flattering to all skin tones, from fair to dark, tan, and olive.

3. Smoky Black

Smoky black is a beautiful hair color that expresses individuality and strength. Besides, smoky black hair suits all face shapes, skin tones, and outfits. Therefore, it's a popular hair color among women in 2022 to refresh their look.

4. Modern blue

This is a striking and impressive hair color. If you want to be a little rebellious, don't miss this modern blue hair color.

5. Balayage hair color

The impressive balayage dyeing style, with its skillful blending and color transitions, will help women stand out and always be the center of attention.

6. Ombre hair color

Ombre hair dyeing is a creative and super cool hair style with a unique color blending technique, creating a striking color transition from light to dark, from dark to light. This hair color not only complements your skin

tone but also makes you look more stylish in 2022.

7. Smoky hair color complements the skin tone.

Smoky brown, gray, blue, and silver-smoky hair colors not only enhance and brighten the complexion of women but also help them stand out and express their personality.

You can choose to dye your entire hair a smoky color or just the ends, combining it with other colors.

8. Beautiful golden brown hair color

Golden brown hair color gives any girl a youthful, modern, and vibrant look. In addition, this hair color complements the skin tone, making you look more beautiful.

9. Chestnut-colored hair suits all skin types.

Chestnut brown hair is a popular choice among many girls. The light brown color, combined with its shine, helps to highlight the skin tone of the wearer.

10. Chocolate brown hair color helps to brighten skin tone.

Chocolate brown hair color is a beautiful hair color that never goes out of style. Chocolate brown hair isn't overly flashy, but when combined with beautiful hair, it will make you look more attractive and your skin appear brighter.

11. Cinnamon brown hair

Cinnamon brown hair has a slightly orange tint, a wonderful combination of yellow and soft brown, and is extremely flattering to the skin of East Asian women.

12. Pinkish-blond hair color

This is a hot hair color trend in 2021 that helps the wearer stand out. Dyeing your hair rose-gold not only enhances your complexion, but you'll also see your hair alternate between golden and pink hues, creating a unique and interesting look.

13. Western brown hair color

A reddish-brown hair color that suits all skin tones is a great choice for women with darker complexions. Not only does it flatter the skin, but this Western-style brown also makes you look more feminine and gentle.

14. Cool brown hair color

Cool brown is one of the most beautiful hair color tones, flattering to the skin and always suitable for many hairstyles.

15. Mossy brown hair color

Moss brown is the perfect combination of a dominant brown tone mixed with a striking moss green. This hair color not only enhances skin tone and suits all makeup styles, but also gives women a unique personality while still maintaining their inherent gentleness and femininity.

16. Milk Tea Brown

Milk tea brown hair color is a subtle blend of light beige and natural black tones, giving the hair a warm, feminine, and gentle brown shade while also enhancing skin tone.

17. Graphite color

Charcoal gray hair is universally flattering, suitable for all skin tones from fair to dark. It helps accentuate fair skin, making you look more stylish and striking. This shade also enhances the natural, healthy look of those with darker skin, giving them a strong and alluring appearance.

18. Dark blue

Dark blue hair suits all skin tones, from fair to tan. Depending on your skin tone, preferences, and personal style, you can freely choose the shade of dark blue hair dye, from light to dark tones...

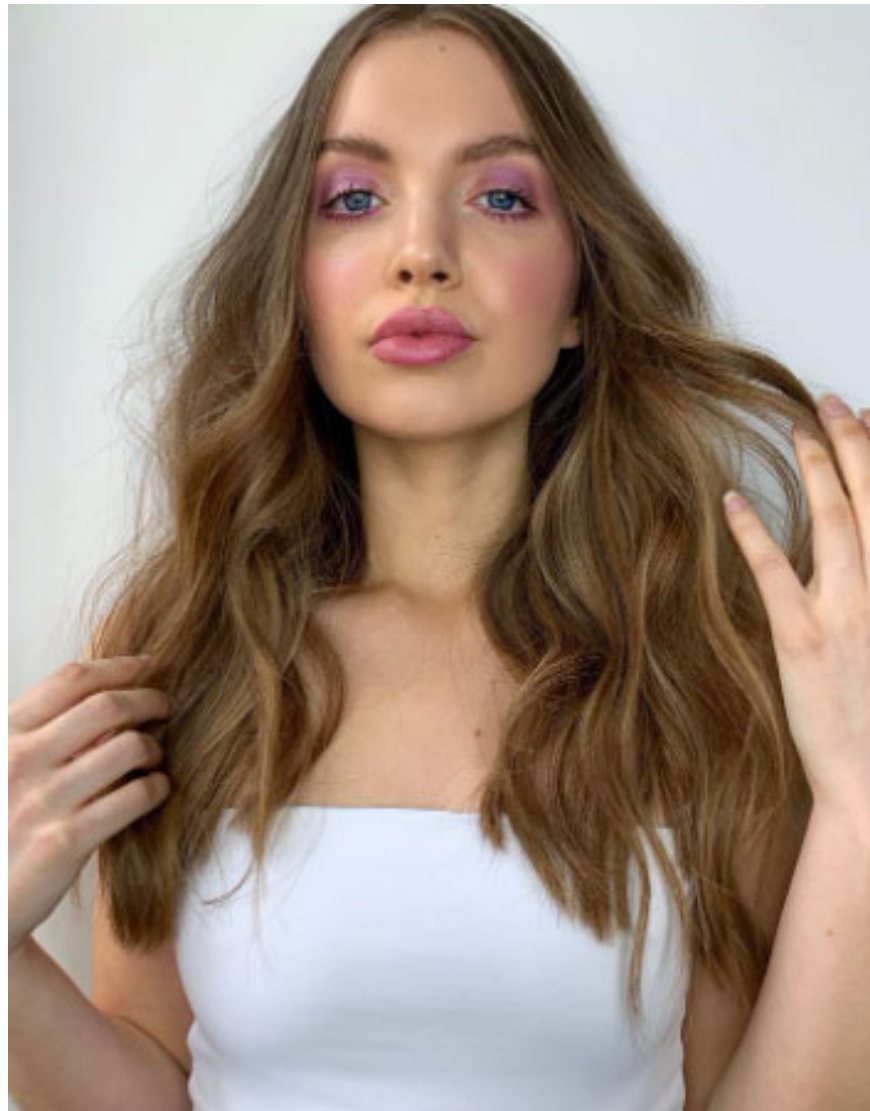

19. Mossy blonde hair

Mossy blonde hair is a very stylish color that can help girls confidently wear many types of outfits without worrying about going out of fashion. Mossy blonde also helps to enhance your skin tone, making your face look brighter.

20. Honey brown

Honey brown is a hair color that suits dark skin tones, giving hair a glossy, smooth effect. This hair color will help women with dark skin achieve a natural, sweet yet striking look.
