Halloween is a traditional festival held every year in many countries around the world. Currently, this festival is quite popular in Vietnam, but the origin and meaning of Halloween is not known. Let's find out the interesting things surrounding the festival that are loved by young people.

Halloween festival origin

The Celts , a people who lived more than 2,000 years ago in the land now belong to England, northern France and Ireland. November 1 The solar calendar is the start of the New Year for the Celtic people. Before New Year's day, this tribe held a festival at night to honor their leader who died as Samhain. This festival is the beginning of a cold, dark season often associated with human death. Celts believe that, that night, Samhain allowed souls to return home to earth. And to avoid evil spirits, they disguise themselves to resemble spirits by wearing demonic-like costumes and masks.

The name "Halloween" comes from the ancient English period, and means " *the night before the feast of the saints* ".

British people and Celtic ethnic lands brought Halloween festivals when emigrating to the United States with various customs. Until the 1800s, this festival became a custom held annually.

In the West, Halloween is the funniest festival of the year and is considered a Tet holiday for young children. On this day, children are disguised as interesting characters, playing exciting and fun traditional games.
