

Hanoi, Ho Chi Minh City and Taipei will be the 3 selected locations to host the Great League of Legends event this year.

On January 28, Riot Games officially revealed the 'identity' of the three major Asian cities chosen to host the League of Legends (LMHT) Mid-Season Invitational.

Good news for League of Legends fans! On January 28, Riot Games officially revealed the 'identity' of the three major Asian cities chosen to host the League of Legends (LMHT) Mid-Season Invitational. This is the second largest League tournament of the year after the World Finals. The Mid-Season Invitational is a tournament among regional champions in the spring and brings together the best teams from 13 regions and territories around the world. With the emergence of the new Vietnam region (VCS) separated from Southeast Asia (GPL), two major cities Hanoi and Ho Chi Minh City have been selected as the venue for the play-in round, and round table. In addition, in Taipei will take place semi-finals and finals (knockout stage).

1. AlphaStar, Google DeepMind's artificial intelligence prevails over StarCraft II players 10-1

With the selection of three major cities, representing the two regions with strong growth in e-sports, Riot Games did not hide its intention to divert investment to acquire these markets. Previously, Newzoo's market researchers have stated that the expected revenue in the entire esports industry will reach about 1.7 billion USD by 2021.

In addition, with the increasing interest of the people towards esports in general and League of Legends in particular, combined with recent infrastructure improvements and the launch of the Vietnam Championship

Series of the year. 2018, Riot said that they appreciate the progress of electric sports in Vietnam and therefore, bringing international tournaments to 90 million people is completely reasonable, not only encouraging the development of the regional esports industry, but also a gratitude for the contributions of the Vietnamese League community throughout the past time.

In 2018, League tournaments have continuously broken records of followers. Specifically, the 2018 World Finals attracted 99.6 million spectators, a desirable figure in the e-sports market. And with the continuous development of this game over the years, this record may not last long.

1. Epic Games' system exists that has made millions of Fortnite players at risk of losing their accounts

Returning to the 2019 Mid-Season Invitational will be held in Hanoi and Ho Chi Minh City here, the play-in period will be kicked off with the first round taking place from May 1 to May 4. in 2019 in Hanoi, and the second round will be held between May 5 and May 7 in Ho Chi Minh City.
