

Hidden effects on equipment, champions and clans in the Arena of Truth season 2

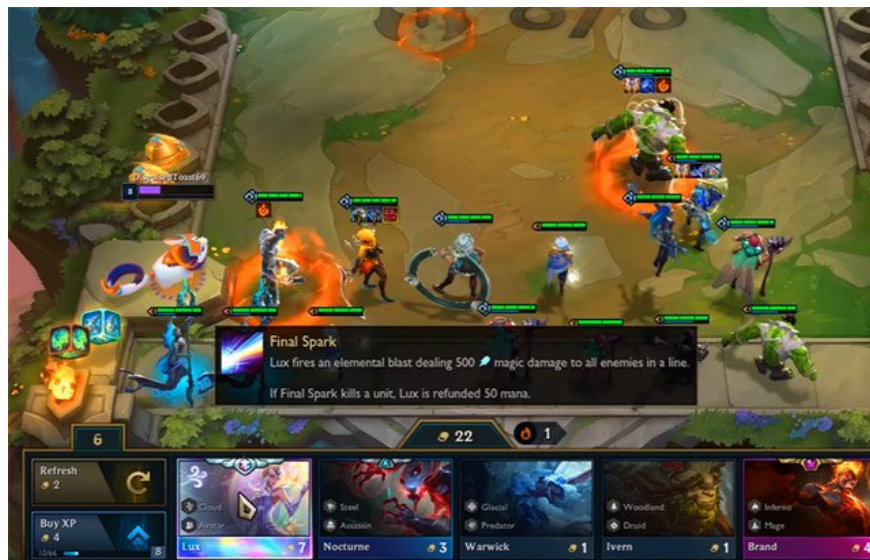

Here are a few hidden tricks in the Arena of Truth that many gamers do not know, including about the tribe buff, equipment effects.

The generals and equipment in the Arena of Truth have clearly stated the nature and skills of each one. However, there are "mysteries" in the Arena of Truth that many gamers do not know.

Below is a summary of hidden page effects in DTCL that you may not know. Accompanied by hidden rules with generals and clans that many gamers may not have grasped in the Arena of Truth.

1. How to use emoticons in the Arena of Truth
2. Instructions to build Brand Arena of Truths season 2
3. Guide to accumulating and spending money effectively in the Arena of Truth season 2

Amount of Elemental Lux

Because the whole game only has 10 Elemental Luxs and when you buy and raise one Elemental Lux, your opponent will not be able to find that Elemental Lux anymore.

Buff of Fire element

You may not know that the fire element can increase damage and heal with equipment. Specifically, the fire buff in the yard of 3-6 Fire generals can still increase quite high depending on the magic damage of the dame champions as well as help the hero recover quite a bit of health under this damage if they have equipped Sword Gun Hextech (heals based on skills and attacks).

Stats when Stack of Swords, Dragon Claw and Silent Knife

According to many judgments from gamers, stacks of Dao Mute and Tan Kiem will be accumulated in the game. And Dragon Claw is calculated in a different way, but if stack 2 Dragon Claw is 100% magic resistance so having more will not work.

Very quick mana regeneration with Bow and Spear of Shojin

Spell Shojin has an effect that helps you regain mana by% after using the ability for the first time. But if combined with Cuong Cung, the second shot has the same effect. That is, if you combine these two items, you will double the amount of mana recovered from the Shojin brand.

Iron chain Solari strong poison

Right at the beginning of the match, the Iron Solari chain, the generals near you will not be affected by the poison buff of the opponent. Especially from Singed, this is an effective way to counter poison team if you are in the hands of a magician squad and unfortunately have to encounter a poison team.

Make use of the effect of Solitary Towel (Mercury cloak)

The Summoner Effect can now grant all champions with all control effects when the cooldown of cooldown is restored. For example, if you consume the Ice Kingdom's restraint effect, the cooldown of Coaster's cooldown resets, you will immediately break the crowd control effect.

Buff the skill of Senna and Nami

Both Senna and Nami give their allies additional effects based on attacks from the equipment they use. That means items like Devil's Morello (burns blood), Shovel + Fire (burns with buffs of Fire) and deals critical

damage damage from Gauntlets can be buffed to all allies. .

Equip exclusive effects of Beast / Poison

The Poison and Killing effect based on% of Beast's health can be activated from the Ax, Ax, Armor, Power Knife, Luden Sound, Light Bow. The equipment activated will include the effect of Beast Beast and both Poison or both). As for Demon Book Morello and Red Charm, it does not stack effects continuously over time.

Items appear randomly in rounds 5 - 4

Completely assembled equipment within 5 - 4 is no coincidence. If the entire match without a player matches the items on the list, those unlicensed equipment will appear in rounds 5 - 4 for the player to choose. That is also the reason that the equipment in this round is not very favored by gamers because it is quite scrap, or there is not enough material to graft.

Tips to increase mana with Goddess Tears

Cadet gives you 40 mana at the beginning of the battle, and the other items paired with Tears of Gods only give you 20 mana. But there is a way you can increase your mana to 40 when you first equip the Tears of the Goddess, then after the battle then wear the puzzle item from the Tears of the Goddess to receive an additional 20 mana.

Make sure the above tips are likely many gamers do not know when playing the Arena of Truth, from how to combine DTCL gear to the hidden effects of the clan in the Arena of Truth.
