If you are passionate about shooting games and still have not found a suitable game for you, right now, iOS users can quickly download the phone for Hitman Sniper game which is free on the app store. Iphone.

1. Download now Hitman Sniper for iOS
2. Download now Hitman Sniper for Android

On Christmas last year this game is also free for iOS and Android. If you have not yet downloaded for yourself this interesting game, please quickly download it in this free batch.

This is a game developed by Square Enix Montreal, launched in 2014 and since then it has become a favorite game of many people despite its selling price of 0.99USD.

In the game the player will play the skinhead agent 47 with the sniper gun and the task of destroying the targets provided by the dark contract. Of course gamers can arbitrarily act according to whatever method they desire, from stabbing straight bullets into the head of a drug boss, or quickly hand down gradually the good sub-groups

around. Up to 150 missions for players to test their shooting skills.

Hitman: Sniper will encourage gamers to be more secretive. For example, instead of "sweeping" all in front of the eyes, the player can choose the items displayed in the surroundings to deceive by accidents. The most typical is the gas tanks located in the outdoor dining area, just a small impact you will disguise the assassination by gas explosion without anyone knowing or knowing.

In addition to the appealing game content, the game's graphics background is also extremely interesting and beautiful, with extremely sharp and authentic 3D models. The metallic air reflected on his body every gun, the villas with lights far away from the surface of the supreme residence or the gesture of very human gestures of machine characters, will be the visual elements that impress statue with players from first sight.

Some outstanding content introduced in Hitman Sniper:

1. Incorporate into assassin Agent 47, possess many special skills and experience the most attractive sniper phase on your smartphone
2. Train skills, strategies and plan your own assassination tasks perfectly
3. Satisfy your passion with more than 150 missions and 10 most notorious assassination contracts
4. After each mission and destroy the target, you can collect many different weapons with strong damage
5. Increase your score and rise above the killer chart by contract to become the world's best silent assassin

With such plus points, there is no reason that you will not quickly download for yourself this interesting game.

Wish you have fun playing games!
