

'Ho turned' vegetables into super funny Christmas decorations

Use vegetables to transform into Christmas table decorations you have ever thought of? This unique idea will make everyone admire your ingenuity.

Use vegetables to transform into Christmas table decorations you have ever thought of? This unique idea will make everyone "admire" praise your ingenuity.

There is no need for raw materials just need familiar vegetables such as strawberries, carrots, cauliflower, . you can also create dwarfs, snowy old man, Christmas tree, or a ring lovely laurel. These cute items that are displayed on the table when Christmas season is too great is not it. Let's look at "convenience" to learn how to make these Christmas dishes very toxic and strange.

1. Interesting facts about Christmas, Santa and reindeer that you didn't expect
2. 16 suggest meaningful Christmas gifts to lovers, friends and relatives
3. Poems wish Christmas meaning and humor

1. Christmas tree from vegetables

With long tubers like carrots, bitter melon, radishes, you can cut the tail in half, use a toothpick to pin the star-shaped slices to create a unique Christmas tree shape as in the picture. Also, you can use cucumber pods to decorate the radish pine. In order to create white snow for my decorations, just use it to sprinkle it on top.

Not many people will "O-shaped eyes" when they learn that this super-funny model is made of vegetables. If you like a Christmas tree made from cauliflower then do it right away. Use a toothpick to pair branches of boiled cauliflower together to shape the pine tree. Combine cherry tomatoes, onions, radish, cauliflower and star fruit to shape Christmas decorations.

Beautiful Christmas tree image from vegetables.

2. Snowman from tubers

Olaf snowman from the animated movie "Frozen" came out in real life with shaping from radish, carrot and onion. In addition, you can shape pine trees from green bitter melon. Remember to use pins to pin the snow body parts. Use this decorative pattern to display the table, very funny and funny.

There is no need for snow, but you can still create super adorable snowmen from vegetables.

3. Dwarfs from strawberries

The dwarfs "ragged" from strawberries displayed on the dining table look very nice and attractive. You cut the strawberries in half but don't cut them completely, then stuff the spherical ice cream to make the dwarf's face. Next, use the eye cream, the button and the hands for the elves to finish.

It's so cute, can you eat it?

Depending on your tastes and tastes, you can present these lovely dwarfs on ice cream cakes, dishes or dining tables. Please pay attention to choose fresh strawberries and cream carefully and if not used, please store in the refrigerator to ensure the quality of the dish.

A cake with creamy dragon dwarfs on the vegetable ladder is so wonderful. The strawberries made from strawberries and fresh cream, below is an extremely eye-catching cabbage tree right?

Do you think it would be more interesting to have a decoration like this on the dining table?
Dessert cake creates a wooden house with dwarfs decorated with extremely eye-catching strawberries, not only this ornament is also a new dish to change the taste for Christmas day.

The decoration is too unique for Christmas.

4. Create the face of the snowman's face

The face of the snow-old man below is shaped quite picky from a variety of vegetables such as sliced ?? tomatoes, cabbage, cauliflower, star fruit, radish, beans, corn and chili.

Create a lively and eye-catching old man face for Christmas this year.

This funny old man can put it on your family's dining table to make ingredients for fresh and delicious salads or salads.

5. Laurel wreath from vegetables

Like how to make Christmas trees from cauliflower vegetables, after boiling and cooling green cauliflower, carrots, you can stick cauliflower branches together. Using carrots, white cauliflower, cherry tomatoes, star fruit and corn in a laurel pattern, we have a delicious and beautiful salad salad plate for this year's Christmas season.

A laurel wreath with the same decoration .

If you do not want to be picky by using a toothpick, you can display the laurel wreath directly on the plate and then set the table to decorate Christmas or display the food itself in this ring.

Christmas is near, besides decorating the house, decorating a Christmas table is also quite interesting. Hopefully, Christmas decoration ideas from vegetables and fruits will help you get an impressive Christmas table.
