In the game players will participate in an arena and compete with each other by controlling their small death pit to swallow as much as possible for a certain period of time.

Hole.io is a very unique and fun game of Voodoo. In the game players will participate in an "arena" and compete with each other by controlling their small death hole to swallow as much as possible for a certain period of time. Whose death hole is the biggest, that person will win.

In the game, players not only try to 'eat' lots of things, even smaller ones to expand their black hole size, but also to guard against larger opponents to avoid being destroyed.
